PRESENT OR PREVIOUS COMMUNITY/VOLUNTEER ACTIVITIES

On May 29, 2008 I finished my last day of practice at Complete Childrens Health to serve the community by starting a non-profit organization called TeachAKid2Fish, which is a collaboration of healthcare and broader community partners working to combat the childhood obesity epidemic in the Lincoln community. The vision is "Community Solutions to improve Childrens Health." It will serve as a model to help resolve other childrens health issues in our community.
