Permit #: SWP _____

SIDEWALK PERMIT APPLICATION

402-441-7882 (New Construction)

402-441-7541 (Repairs)

I hereby apply to construct a new sidewalk or to repair an existing sidewalk at:

Street Address: _____

Legal Address: _____

Subdivision

Block

Lot

_____ **Commercial \$125**

_____ **Residential \$50**

I acknowledge that this permit may be issued on the express condition that the sidewalk will be properly barricaded and constructed in conformity with specifications heretofore adopted by the City Council and constructed to the line and grade as staked out by the City Engineer's office.

As a contractor and/or homeowner, I hereby acknowledge that I am neither a contractor for *nor* an employee of the City of Lincoln and I assume full responsibility for the work requested by this permit application.
