

City of Lincoln

Mayor's Recommended Budget
2007-2008

Mayor Chris Beutler

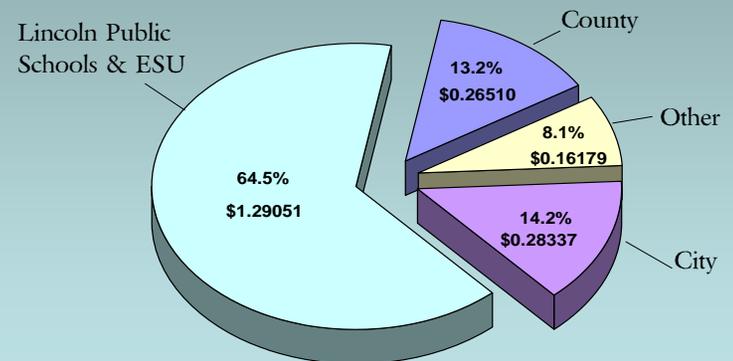

Priorities in developing the budget

- Maintain sound financial position
- Preserve public safety
- Keep Antelope Valley moving with Corps of Engineers
- Not raise property tax rate (except for voter-approved stormwater bonds)
- Solve the budget problem for the long term

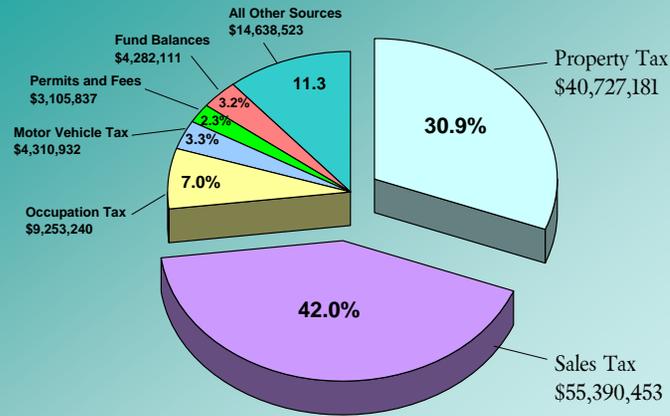

Budget Challenges

While the City may have budget challenges, the City's financial position is still sound.

Current year breakdown of property tax levy

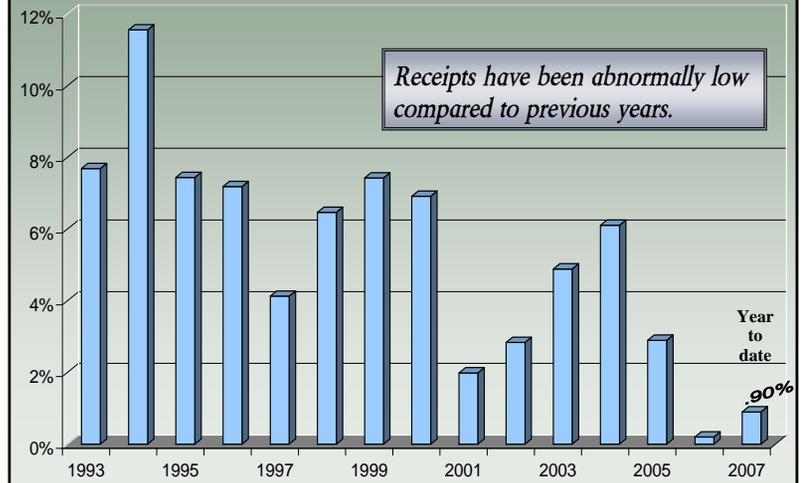

Where the money comes from

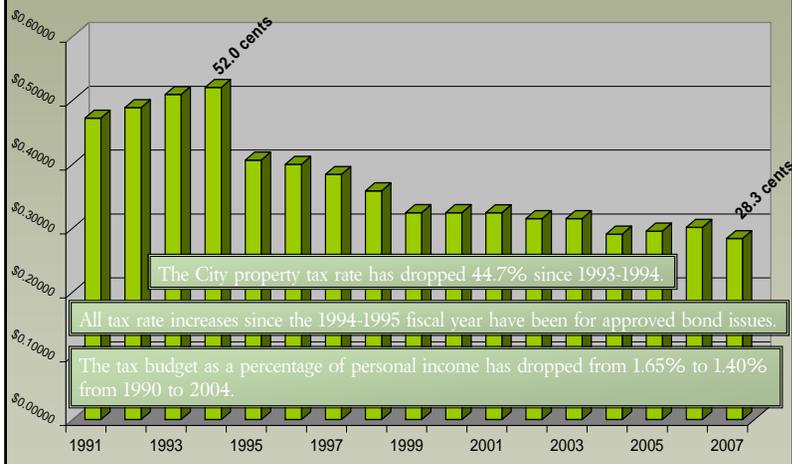

Percentage change in sales tax

Fiscal year ending August 31st of each year

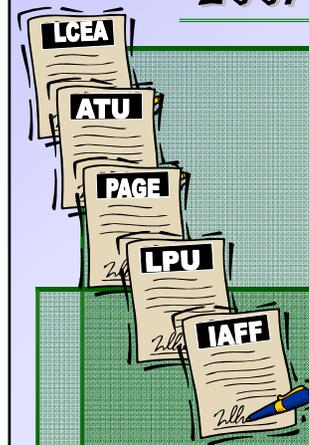

City property tax rate

Fiscal year ending August 31st of each year

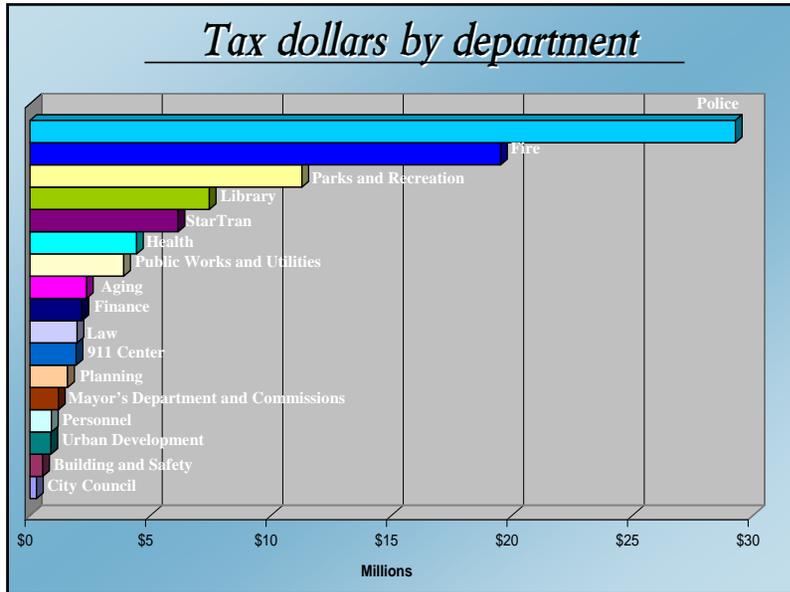

2007-2008 labor contracts

Five of the six union contracts were previously approved as multi-year contracts by the prior City Council and administration.

Pay and health care increases totaling \$2,984,065 for tax funds

\$1,635,616 additional for non-tax funds

City Staffing Comparison

1990-1991 through Mayor's 2007-2008 Recommended Budget
in full-time equivalents (FTE's)

Fiscal Year	Fire, Police 911 Employees	Other City Employees	Total Full-Time Equivalents	Lincoln's Population	Area
1990-1991	589	1,435	2,024	191,972	63.5 sq. mile
2005-2006	741	1,504	2,245	236,146	82.6 sq. mile
2007-2008	733	1,435	2,168	241,410	88.3 sq. mile
Percentage Change					
Since 1990-1991	24.47%	0.00%	7.12%	25.7%	39.1%

City Staffing Comparison

1990-1991 through Mayor's 2007-2008 Recommended Budget
in full-time equivalents (FTE's)

Examples of facilities and services added since 1990-1991 staffed with non-public safety employees include:

- Star City Shores
- Ager Indoor Play Area
- Gere Library Branch addition
- Belmont Recreation Center
- Highlands Golf Course
- Highlands Swimming Pool
- Eiseley Library Branch
- Walt Library Branch
- 2,382 more park acres, a 64% increase
- Many new trail miles

How the budget was balanced

The General Fund Capital Improvement Program (CIP) was reduced by:

- ◆ Cuts and delays of projects
- ◆ Only \$64,000 of General Fund revenue left, only for basic maintenance

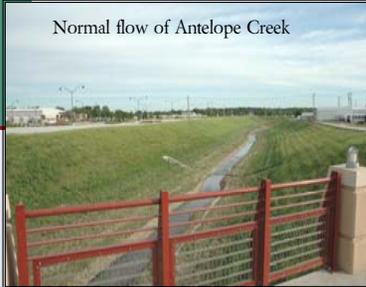

How the budget was balanced

The General Fund Capital Improvement Program (CIP) was reduced by:

- Use of KENO funds to keep up with accelerated federal funding for Antelope Valley
- This ties up Parks and Recreation KENO funds for the next four years

Normal flow of Antelope Creek

Antelope Creek on May 5, 2007

How the budget was balanced

- Reorganization of job functions using vacant positions and positions coming open due to the retirement incentives
- Finding other funding sources for existing programs where permissible
- Line item cuts involving supplies and services by departments to get to a 94% budget

Fee increases

Several fee increases and programming changes in Parks and Recreation \$99,925

Library fines are increased \$72,128

Health Department fees increased, most are in Environmental Health \$26,614

Animal licensing fees are increased \$123,150

Total new revenue sources \$321,817

City staffing changes

Positions	Full-Time Equivalents (FTE's)	Total (Savings) Added Cost	Tax Savings
Eliminated			
Classified			
Hiring Freeze	(17.00)	(\$914,718)	(\$557,734)
Retirement Incentive	(17.96)	(917,787)	(465,745)
Other	(11.89)	(651,676)	(486,522)
Unclassified	(16.15)	(349,508)	(268,708)
Total Reductions	(63.00)	(2,833,689)	(1,778,709)
Positions Added:			
Classified	2.00	71,857	71,857
Unclassified	2.00	28,704	-0-
	4.00	100,561	71,857
Total Change	(59.00)	(\$2,733,128)	(\$1,706,852)

Department's discretionary cuts will likely result in more position reductions

One-time and short-term funding sources

Transfer of Tax Sale Fund balance to General Fund	\$718,000
Utilize 2002 stormwater bond balance for debt service to offset the need for additional property tax revenue	\$830,000
Utilize nearly all of the StarTran Acquisition Fund balance for match for future bus purchases	\$315,200
Utilize all of Building and Safety Fund balance generated from General Fund transfers to offset need for General Fund in 2007-2008	\$263,473
Utilize Municipal Infrastructure Redevelopment Fund (MIRF) revenue to offset General Fund revenue needs for the Capital Improvement Program for 2007-2008.	\$780,000
In 2008-2009 \$520,000 will be available, but nothing will be available after that.	
The total of these sources:	\$2,906,673

Tax-funded departments and divisions

More than 100% of fiscal 06-07 funding

Department/Division	FY 06-07 Budget	FY 07-08 Budget	Percentage of FY 06-07 Budget
911 Communications	\$3,167,915	\$3,296,898	104.1%
City Council	261,391	270,129	103.3%

Mayor's Office	625,309	607,943	97.2%
Law	2,026,892	1,953,142	96.4%
Planning	1,620,346	1,560,178	96.3%
CIC	254,082	244,595	96.3%
Urban Development	796,566	766,288	96.2%
Women's Commission	142,101	136,509	96.1%

Tax-funded departments and divisions

Less than 90% of fiscal 06-07 funding

Department/Division	FY 06-07 Budget	FY 07-08 Budget	Percentage of FY 06-07 Budget
Human Rights (Shifted to grant funding)	\$140,222	\$124,597	88.9%
Aging	\$4,443,920	\$3,730,412	83.9%

Parks and Recreation Department

- ◆ Reduction of two Arborists positions
- ◆ Reduces the number of street trees trimmed by 1,000
- ◆ Public tree pruning cycle extended from 13.9 years to 15.9 years

Parks and Recreation Department

- Three park restrooms closed; nine restrooms open only with associated shelter rental or ball field use
- Reduction of one Equipment Operator
- Reduction of 8,050 hours of seasonal labor

Parks and Recreation Department

Transfer 134 additional acres to minimum mow areas

It costs \$700 per acre to maintain neighborhood park land compared to \$200 per acre for minimum mow areas.

Parks and Recreation Department

- Kuklin Pool to close after this season.
- Area to be served with new Trago Park sprayground - a walk-up facility with no admission fee.

Parks and Recreation Department

Reduction of Athletics Program Supervisor

- Discontinue 14 youth sports programs, camps and tournaments
- These programs had 1,050 participants during FY 2005-2006
- Programs had less participation, or are duplicated by another organization

Libraries

Polley Music Library

- Due to declining trust income, reduced the Polley Music Library service hours from 35 to 20 a week
- Eliminated .5 Librarian position

Library System

- Eliminated 4.2 additional positions

Public Works and Utilities

Tax Funds

- Reduced painted pavement markings by half
- Reduced \$26,000 in contractual cleaning/improvements in the stormwater drainage system
- Moved the Street Maintenance Coordinator from General Fund to Engineering Revolving
- Eliminated one Office Specialist, and two Summer Seasonal Workers in Traffic Engineering
- Eliminated .38 Internship Trainee in Watershed Management

Public Works and Utilities

Non-Tax Funds

- Additional \$125,000 is added for durable street markings
- Eliminated 10 positions throughout the department in non-tax funds

StarTran

- Added two Bus Operators to provide service to west Lincoln during the Harris Overpass construction
- Eliminated HandiVan/Brokerage service from 7 to 10 p.m.
- Eliminated the night customer phone service for schedule information

Fire and Rescue

- Eliminated one Delivery Clerk position
- Reduced equipment purchases by \$115,000 from the Urban Search & Rescue Fund
- Reduced collection fees of \$84,000 with the new contractor provider from the EMS Enterprise Fund
- An additional department's discretionary cut of \$250,000 is made

Health Department

- Department staffing is reduced by 5.5 positions through use of the hiring freeze, retirement incentives and shifts to grant funding
- Service reductions which will result in:
 - 530 fewer dental patient visits
 - Longer waiting periods for dental services
 - Reductions in the Indoor Air Program

Lincoln Area Agency on Aging

- Eliminated the Lifetime Health program
- Made the temporary closing of Calvert ActivAge Center permanent
- Eliminated 5.83 positions
- An additional department's discretionary cut of \$444,444 is made

Police Department

- The following 5.75 positions are eliminated:
 - Assistant Chief of Police
 - Administrative Officer
 - Police Records Technician
 - Office Specialist
 - 1.75 Public Service Officers for the Parking Enforcement Program
- An additional department's discretionary cut of \$190,000 is made

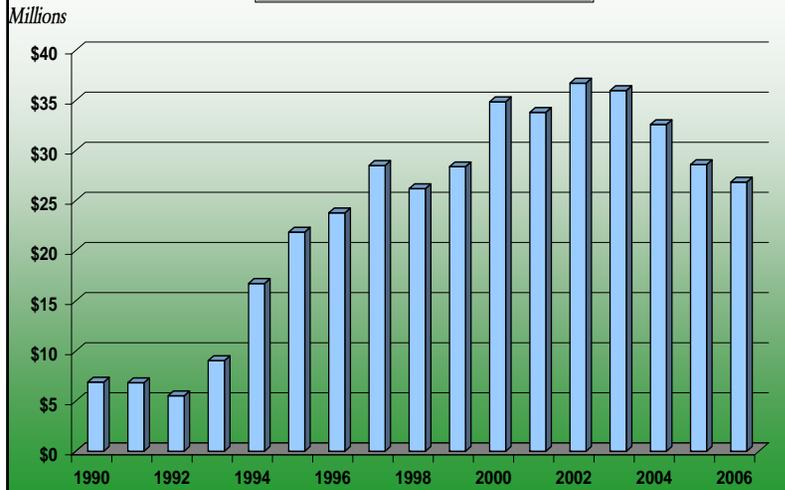

Fund balance policy

Helps keep balances at least 15% of projected budget five years into the future

Helps maintain bond ratings and complies with our officially adopted policy

Unreserved General Fund balance

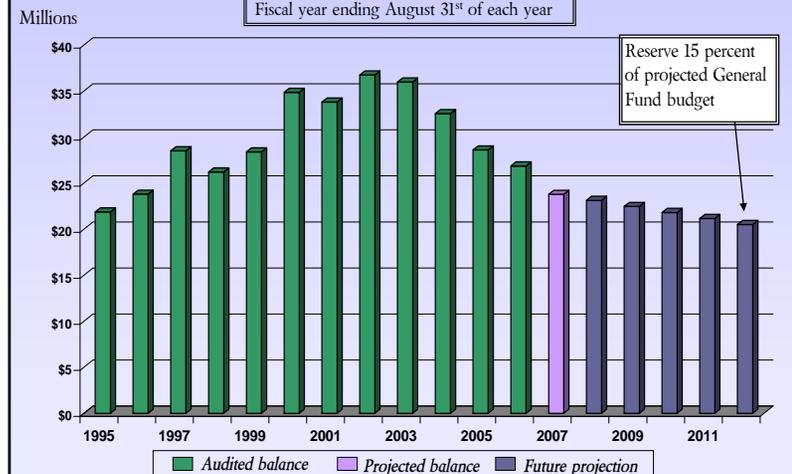

Fiscal year ending August 31st of each year

Audited General Fund balance

History and projections over six years

Fiscal year ending August 31st of each year

Water & Wastewater rate increases

These rate increases have been anticipated as part of the past Capital Improvement Programs.

- Average residential water and wastewater bill will increase \$2.46 monthly
- This is to be effective for bills going out in February 2008
- Funds operations and maintenance, Capital Improvement Program and bonding

Impact on an average home

Property valued at \$147,750

The only increase is for voter-approved bonds

	<u>2006-2007</u>	<u>Estimated 2007-2008</u>	<u>Estimated Change</u>
Property tax bill-Mayor's Budget	\$418.68	\$418.32	- \$0.36
Plus voter-approved 2007 stormwater sewer bonds		\$6.63	+ \$6.63
Total property tax-City Services	\$418.68	\$424.95	+ \$6.27

Highway Allocation Bonds

From Ordinance 18842, Section 28 authorizing issuance of \$27 million of Highway Allocation Bonds passed November 13, 2006...

“The Council hereby declares its intent to (a) budget, appropriate and pay from the City's General Fund certain expenses...in connection with streets and street improvement projects in an amount not less than the debt service on the Bonds becoming due in such fiscal year and (b) adjust the City's property tax levy in an amount sufficient to pay such expense. The Council further declares its intent to (1) phase in such actions equally over a three year period beginning with the 2007-08 fiscal year and (2) continue such actions for so long as any Bonds are outstanding.”

Impact on an average home

Property valued at \$147,750

	<u>2006-2007</u>	<u>Estimated 2007-2008</u>	<u>Estimated Change</u>
Property tax bill-Mayor's Budget	\$418.68	\$418.32	- \$0.36
Plus voter-approved 2007 stormwater sewer bonds		\$6.63	+ \$6.63
Total property tax-City Services	\$418.68	\$424.95	+ \$6.27
Plus Highway Allocation Bond Debt Service Replacement		\$6.95	\$6.95
		\$431.90	\$13.22

Summary of changes in the budget

Total tax-funded budget

Mayor's Recommended Budget 2007-2008	\$131,708,277
Council-Adopted 2006-2007 Budget	<u>\$129,968,597</u>
Dollar difference	\$1,739,680
Percentage change	+ 1.34%
Less inflation rate	- 2.89%
Tax funded government reduced by	- 1.55%

Mayor's Recommended Budget 2007-2008

- Tax funded government reduced by 1.55%
- Staff reduced by 63
- City grew by 3.0 square miles
- Population increased by 2,197
- Does not increase existing property tax rate except for voter-approved bonds
- Follows the Council-adopted policy for maintaining General Fund balances that support the City's AAA credit rating
