

## PUBLIC NOTICE

### LINCOLN-LANCASTER COUNTY HEALTH DEPARTMENT

- A. In accordance with Article 2, Section 14 of the Lincoln-Lancaster County Air Pollution Control Program Regulations and Standards (LLCAPCPRS), notice is given for the following proposed actions:
1. The preliminary determination by the LLCHD to approve the issuance of a Construction Permit for TNT Earth Moving to install and operate a mobile concrete crushing plant.
- B. Issuance of the proposed permit allows for construction and operation of the subject emission source within Federal, State and Local requirements. Provided below are the name, address, and the North America Industry Classification System (NAICS) code describing the nature of business at the subject emission source:
1. Source Name: TNT Earth Moving
  2. Source Address: 7701 Cornhusker Hwy, Lincoln, NE 68507
  3. NAICS Code(s): 238910 (Site Preparation Contractors)
- C. Potential emissions exceed the Class II permit thresholds set forth under Article 2, Section 5 of the LLCAPCPRS, but the owner/operator has agreed to limit throughputs to such quantities that actual emissions will remain below Class II permit thresholds. As such, the source will remain a 'de minimis' source of emissions. Issuance of a construction permit is appropriate for this facility. This facility will not be required to obtain a Class II operating permit.
- D. The proposed construction permit will allow for emissions of the following regulated air pollutants in the associated quantities. All quantities are in units of tons per year, or tpy.
- |   |           |
|---|-----------|
| Particulate matter less than 10 micrometers in diameter (PM <sub>10</sub> )   | 14.87 tpy |
| Particulate matter less than 2.5 micrometers in diameter (PM <sub>2.5</sub> ) | 2.06 tpy  |
- E. The proposed permit is available for inspection during business hours at the office of the LLCHD at 3140 N Street, Lincoln, NE 68510. A copy of this public notice document may also be obtained online at: <http://lincoln.ne.gov/city/health/enviro/Air/PubNot.htm>. Telephone inquiries regarding this public notice may be directed to the LLCHD by calling (402) 441-8040, or (402) 441-6284 for TDD users.
- F. The 30-day public comment period commences January 20, 2016 and ends on February 19, 2016. Within the 30-day public comment period, any interested person, agency, or group may submit comments on the proposed permit, or request or petition the Director of the LLCHD for a public hearing. All requests for public hearing must be made in writing, and must state the nature of the issues to be raised and all arguments and factual grounds supporting their position. If a public hearing is granted by the Director, the hearing will be advertised by public notice at least 30 days prior to its occurrence. Comments on the proposed permits should be mailed to:

Chris Schroeder, Air Quality Program Supervisor  
Lincoln-Lancaster County Health Department  
Environmental Public Health Division  
3140 "N" Street  
Lincoln, NE 68510-1514
