Blue Cross and Blue Shield of Nebraska offers valuable tools and resources through our secure online members-only portal. You can manage your personal health care benefits, as well as:

- ✓ Check the status of a claim
- ✓ Order ID cards
- ✓ View personal pharmacy information
- ✓ Find a network hospital, doctor or other health care provider
- ✓ Use interactive tools to help manage your family's health care needs and costs

### Interactive tools include:

**Healthcare Advisor<sup>SM</sup>** is designed to help you make better healthcare decisions. It provides treatment decision-support tools that enable you to better understand your options.

**Cost Estimator** helps you estimate medical costs before you receive care. With this tool, you can find cost information for many common medical conditions and healthcare services.

**Coverage Advisor<sup>SM</sup>** helps you understand which healthcare services you are likely to need whether you are very healthy or have multiple health conditions. Then, it will estimate the annual cost of the needed services.

**BlueHealth Advantage** is a comprehensive wellness and lifestyle management website offering educational health and wellness information, lifestyle management guides, a medical library and personal health assessment tools.
