If A Serious Injury – Call 911 Or Go To The Nearest Hospital

For Bloodborne Pathogen Exposures, call the Communicable Disease Program at 441-8056 or 441-6214. After hours call 441-8000 and ask for the Communicable Disease Nurse on call.

Employees have the right to choose a doctor who has treated them or an immediate family member before the injury occurred. However, the reporting and payment of medical care is expedited through the use of the above contracted providers. Please contact Risk Management at 441-7671 if you have any questions.
