

Application for Certificate of Appropriateness

PROPOSAL:

Craig Smith on behalf of Speedway Properties/B & J Partnership requests a Certificate of Appropriateness for work on the east side of N. 8th Street between Q & R Street, in Haymarket.

DISCUSSION:

The Commission previously approved the demolition of the former antique mall at the southeast corner of 8th and R Streets, and the design concept for construction of a hotel in its place. Mr. Smith will show the Commission further development of the hotel design.

Approved design concept.
