

PLANNING DEPARTMENT MEMORANDUM

to: Historic Preservation Commission
from: Ed Zimmer
re: Agenda items
date: April 11, 2014

Item 3: Sprint Antennae on WaterPark smokestack
Mark Koehler on behalf of Sprint offered to return at the April 17th meeting with additional information and illustrations of how the antennae installation on WaterPark can be tidied up. I have not received any additional material to distribute in advance of the meeting.

Item 4: Adaptive Reuse of Schwarz Paper/Hargreaves Bros. Building, 747 O St.
The Commission was one member short of a quorum on this item last month, as Liz Kuhlman abstained from voting as her firm is doing the design work. I will include the March report in the agenda packet, although I anticipate last month's discussion may be reflected in continued evolution of the design proposal.

Item 5: Kaneko artwork at 801 R Street
See report.

Item 6: McKinney's Irish Pub, sidewalk café, east of 719 P Street
See report.

Item 7: 659 S. 18th Street
The proposed garage/meeting space at Schaaf House landmark is listed for consideration in case it has advanced sufficiently for Commission review.
