7.007. Parking Regulations. Accessory parking spaces shall be provided on the lot in the amount of one space for each two hundred (200) square feet of floor area in the building or buildings on the premises. Single-family residential units shall provide one parking space per dwelling unit. Multiple family dwelling units shall provide 1.5 parking spaces per dwelling unit.

7.009. Height Regulations. No building shall exceed four (4) stories nor shall it exceed fifty (50) feet in height, except as otherwise provided in Articles 15 and 17 hereof.

7.011. Sign Regulations. Signs within the "B" Business District shall be regulated in conformance with the provisions of Article 16.

7.013. Area Regulations.

1) Front yard: The front yard regulations are the same as those in the "R" Residential District, except that on the side street side of a corner lot, the front yard need not exceed ten (10) feet in depth;

2) Side yard: The side yard regulations for dwelling are the same as those used in the "R" Residential District. Where a lot is used for any of the commercial or industrial purposes permitted in the district, a side yard is not required except on the side of a lot abutting on an "R" Residential District, in which case there shall be a side yard of not less than five (5) feet;

3) Rear yard: The rear yard regulations for dwellings are the same as in the "R" Residential District. In all other cases a rear yard is not required except where a lot abuts an "R" Residential District, in which case there shall be a rear yard of not less than twenty (20) feet in depth;

4) Intensity of use: When a buildable lot is improved with a single-family dwelling, two-family dwelling, or a multiple dwelling or when living facilities are erected above other uses, the intensity of use regulations are the same as those required in "R" Residential District. The minimum lot width for a commercial use shall be fifty (50) feet.
