## **OPEN HOUSE SET FOR SOUTH STREET BRIDGE REPLACEMENT**

The public is invited to an open house Wednesday August 24, 2011, on the reconstruction of the South Street Bridge between 37<sup>th</sup> street and 38<sup>th</sup> street. The meeting is from 4:30 to 6:00 p.m. at Jim Ager Club House (3761 Normal Blvd Lincoln, NE 68506) and is sponsored by the Joint Antelope Valley Authority (JAVA).

The project includes replacement of the existing bridge, pavement approaches, sidewalk reconstruction, water main reconstruction, storm sewer reconstruction, sanitary sewer relocations, and channel stabilization work. The box culvert on 38<sup>th</sup> Street just south of South Street will be removed and 38<sup>th</sup> Street closed permanently with the project.

The open house will not include a formal presentation, but those attending will be able to review the improvements and discuss the project construction details with representatives from JAVA, the construction management team and the contractor.

The meeting room is accessible for persons with disabilities. Those requiring additional special accommodations are asked to call Kris Humphrey with the City of Lincoln at 441-7711. More information on the project is available on the City Web site, [lincoln.ne.gov](http://lincoln.ne.gov) (keyword: Antelope Valley) or by contacting Kris Humphrey.
