

ORDINANCE NO. _____

1 AN ORDINANCE repealing Section 24.50.050 of the Lincoln Municipal Code
2 relating to permits for the installation of private sanitary sewers, private water mains, and
3 private storm sewer systems by utility contractors.

4 BE IT ORDAINED by the City Council of the City of Lincoln, Nebraska:

5 Section 1. That Section 24.50.050 of the Lincoln Municipal Code is hereby
6 repealed in its entirety.

7 ~~**24.50.050 — Permits and Inspections.**~~

8 ~~—— Subject to Section 24.50.010, no installation of any private sanitary sewer, private~~
9 ~~water main, or private storm sewer systems shall be made without first obtaining a written~~
10 ~~permit from the Director of Public Works and Utilities of the City of Lincoln. The application~~
11 ~~for such permit shall be in writing on a form furnished by the Director of Public Works and~~
12 ~~Utilities, shall be accompanied by a fee in the amount of five dollars, payable to the City of~~
13 ~~Lincoln, and shall be made jointly by the property owner or owners upon whose property the~~
14 ~~private main is to be installed and by the utility contractor or utility contractors who will install~~
15 ~~the same. The application shall identify and describe the work to be covered by the permit and~~
16 ~~shall be accompanied by plans and specifications of sufficient clarity to fully and completely~~
17 ~~indicate the extent of the work involved on the proposed project including a complete~~
18 ~~description of the materials and construction methods proposed to be used thereon. In~~
19 ~~addition the application shall also contain an offer by the applicants which shall, contingent~~
20 ~~upon issuance of the desired permit, offer to enter into a written agreement between the utility~~

1 contractor, the owner of the premises, and the City of Lincoln, whereby the applicants agree
2 to: (1) reimburse the city for the actual cost of continuous on-site inspection and supervision
3 of the project by the Public Works and Utilities Department; and (2) to reimburse the City for
4 the actual cost of any necessary engineering provided by the City on the project.

5 ~~— The Director of Public Works and Utilities shall cause the application, plans, and
6 specifications to be reviewed for compliance with applicable laws and ordinances, and special
7 use permit requirements. Upon completion of such review, deposit of a bond or cash deposit
8 sufficient to cover the estimated costs of inspection and/or engineering by the city, and
9 execution by the parties of the agreement for on-site inspection, a permit for said private main
10 work shall be issued to the utility contractor by the Director of Public Works and Utilities. The
11 issuance or granting of a permit or the approval of plans and specifications shall not be
12 construed to permit or approve any violation of any other law or ordinance of the City.~~

13 Section 2. That this ordinance shall take effect and be in force from and after
14 its passage and publication according to law.
