## **D I S C U S S I O N**

The City of Lincoln proposes to replace the South Street bridge OVER THE Antelope Creek channel located between 37<sup>th</sup> and 38<sup>th</sup> streets. This project is scheduled to begin construction with utility relocations in late 2010 to prepare for bridge removal and reconstruction in 2011.

The City of Lincoln and the State of Nebraska entered into an agreement for Federal Bridge Replacement Funds in August 2004. It is now necessary to amend this agreement to authorize NDOR to let the contract for bidding and make payments directly to the Contractor and Consultant for construction phase services as well as add language for duties and assurances of a Responsible charge (RC) person.
