Deputy Chief Rich Furasek
Lincoln Fire Department
1801 Q Street
Lincoln NE 68508

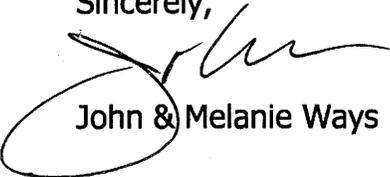

Dear Chief Furasek,

On May 20, 2009, my mother-in-law Evelyn Hunley made a 911 call for assistance from her home at 2511 Jacquelyn Drive. It was about 5:45 p.m., and I was unable to revive my aunt Catherine. When help arrived they did all they could however, upon the doctors orders ceased efforts to continue their attempt to revive her.

Our family would like to express our sincere appreciation for their efforts and the manor in which they carried out their duties. So many times we see firefighters, rescue teams and para-medics in the performance of their jobs and take it for granted. This time we just wanted to say thank you to those who tried their best.

We have the distinct pleasure of knowing Deputy Chief Pashalek who gave us the information needed to write you a letter of appreciation.

Sincerely,

John & Melanie Ways
