1801 Q St.  
Lincoln, NE 68508

Dear Lincoln Fire Department:

We thank you for being a part of the Northeast Fall Festival. This was a time when the neighbors in the northeast area could come together and get to know one another. We can not express enough what wonderful part the Fire Department had at the festival. The community enjoyed the two fire engines, the safety house and robot. It was a wonderful day for a festival. We hope all the fire fighters had a good time as we did.

Our festival was such huge success that we hope to have another one next year. We hope to have the Lincoln Fire Department will participate again in the future. Thank you, for being apart of the Northeast Fall Festival on October 10<sup>th</sup>!
