INDIVIDUAL LOT
NOTICE OF INTENT PERMIT

Conditions: What did you agree to?

All BMPs will be constructed, installed, and maintained according to the minimum standards and specifications set forth in either the City’s Design Standards, the NPDES General Permit, or otherwise approved by the Director, and will be in place and in working order prior to any construction activity.
BEING PROACTIVE

• BMP installations without a Notice to Comply
WHAT WE TYPICALLY SEE

IT IS OUR MISSION to responsibly deliver, enhance and maintain vital infrastructure and services for the good of our community.
IT IS OUR MISSION
to responsibly deliver, enhance and maintain vital infrastructure and services for the good of our community.

TRACK OUT

- All the subcontractors are the responsibility of the permittee
- Permittee is responsible for cleaning mud off the street at the site… daily
INLET PROTECTION

Does not negate the need for “behind the curb” BMPs
MAINTENANCE

• Measures were installed, but rain and contractors happen.
IT IS OUR MISSION to responsibly deliver, enhance and maintain vital infrastructure and services for the good of our community.

Secondary Questions

Nearest address or intersection:
Fallbrook and NW 7th.
ESCALATING ENFORCEMENT

- Notice to Comply – 10 working days
- 24 hr. Notice to Comply
- Notice of Violation
- Re-inspection Fees
- B&S Inspection Holds
INOI APPLICATIONS

• Will usually be authorized the same day (weekends excluded)
• NOT required for sites outside of the City Limits or Tier 1 (apply anyway, we will note it in the system)
• If the application needs “changes” (e.g. wrong address, lot, block...) we’ll send an email
• We cannot issue INOI permits for addresses that are not in the County Assessor’s database.
CLOSING THE INOI

• Site is required to be stabilized or temporary measures installed prior to occupancy
• If outstanding re-inspection fees are unpaid, there will likely be a hold on the occupancy permit.
