

TREES (ADD-ON)

REIMBURSABLE EXPENSES

A maximum of two approved trees may be added on to any qualifying project.

REIMBURSABLE EXPENSES

- Trees well-suited for eastern Nebraska (see Nebraska Statewide Arboretum's list for approved species, pay close attention to notes for each species)
- Planting kits (e.g. stakes, mulch, tree wrap, etc.)
- Installation labor performed by a landscape company or contractor
- Attendance of a stormwater workshop or educational class

NON-REIMBURSABLE EXPENSES

- Unapproved tree species and/or varieties
- Tree purchase price exceeding \$300 per tree (excluding installation)
- Tool purchases (e.g. shovel, etc.)
- Irrigation equipment including hoses and sprinklers
- Water or other utility bills, gasoline, etc.
- Labor done by the homeowner or a non-professional
- Trees as a stand-alone project
- Additional landscaping or dirtwork that does not pertain to the rainscaping projects
- Expenses for work performed on projects completed prior to acceptance into the program
