

## VOLUNTARY WATER RESTRICTIONS

The City of Lincoln has implemented voluntary water restrictions in order to maintain adequate water supplies for drinking, fire protection and other essential uses.

### WHAT THIS MEANS FOR YOU

All water customers are asked to follow the designated day schedule for all outdoor watering, including the washing of vehicles:

- *Properties with street addresses ending in even numbers (0, 2, 4, 6 and 8) should limit outdoor water use to Wednesdays and Sundays.*
- *Properties with street addresses ending in odd numbers (1, 3, 5, 7 and 9) should limit outdoor water use to Tuesdays and Saturdays.*
- *No watering should take place on Mondays except for designated uses.*
- *Property owners with more than one street address at the same location can choose either schedule.*
