## Get Your Hands Dirty

Pioneers  
Park  
Nature  
Center

### Stewardship

Careful stewardship has grown Pioneers Park Nature Center into a 668 acre sanctuary containing prairie, pond, wetland and woodland habitats for native birds and animals. We need financial support from Friends to continue this stewardship.

### Outreach

Outreach at the Nature Center includes exhibits, classes, camps and events that bring children, adults and whole families to the Center. Being a Friend helps continue, staff, and expand these opportunities.

### Awareness

In an age where technology draws people increasingly indoors, it is critical to advocate for and promote our outdoor spaces. As a Friend you can help educate others about the Nature Center, and ensure it is protected for future generations.
