1. You do not have your Rx Nebraska ID. card with you at the time your prescription is filled.
2. You have your prescription filled at a nonparticipating pharmacy.

To complete your Rx Nebraska claim form, simply follow these steps:

1. Complete the upper portion of the Prescription Drug Claim Form. Include your identification number from your ID. card. Please sign the claim form where indicated under "Signature of Named Cardholder or Member of Family."
2. Use a separate claim form for each patient.
3. Please attach your original itemized pharmacy receipt to the claim form in the space provided. If you have more than one receipt, please use a separate claim form for each.
4. Make a copy of your pharmacy receipt and keep it for your personal/tax/medical records.
