

Certificate of Appropriateness for a sign

PROPOSAL:

Express Signs, on behalf of Brownbaggers, proposes a projecting sign for the former Salvation Army Building at 8th & P Street in Haymarket Landmark District.

DISCUSSION:

The attached proposal does an excellent job of depicting a proposed sign for a new tenant in the former Salvation Army Building at 151 N. 8th in Haymarket. The projecting sign is similar in size, lighting (external, downward-pointing incandescent, hooded lights), and overall type to the approved "Scooters" sign on the same building. The sign is consistent with the overall sign package for this building.

Recommended finding:

The proposed sign is consistent with the special Haymarket Sign District and compatible with the historic character of the area.

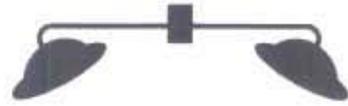

Recommended action:

Approval of a Certificate of Appropriateness.
