Item #3:

Dan Worth (BVH) and Stan Meredith (DLR) are eager to resume the conversation with Historic Preservation Commission and Urban Design Committee regarding the design of the new arena. This first session will primarily be an update of progress to date, and a request to set an aggressive schedule [Is there any other kind?]-and on-going public process. I will attach the statement adopted by both boards late in 2009 as an aid to resuming this important community discussion.

Item #4:

The attached materials from Ann Burkholder concern a request to affix a sculpture/sign to the north, principal facade of the Burkholder Project/Old Woods Bros. Co. building at 719 P Street in Haymarket. As the item has not been designed, this will be a general discussion to assist me in providing guidance to Ann and to Mary Kolar, the sculptor.
