

Below is a link to the Public Policy Center's full report on the Priority Lincoln budget project:

http://www.lincoln.ne.gov/city/mayor/media/2008/pdf/priority_lincoln_report.pdf

The full report is quite lengthy. During the last impact fee meeting, we discussed the results of the scientific phone survey (the survey was one of several different opportunities for the public to participate in the discussion). The attached link is provided with the agenda/minutes packet. The results of the survey are outlined in Appendix A of the full report.
