

— Open House —

for 2005 Stormwater Bond Project

(69th Street and Walker Avenue)

You are invited to attend the second of two *Open House* events planned to discuss the stormwater drainage improvements for the 69th and Walker drainage area. The proposed design has taken into account the comments/suggestions received during the first open house meeting held on September 14, 2005. JEO Consulting Group, Inc. is working with the City on the design of this project. Construction on this project will begin in the Summer of 2006 and is anticipated to be completed by the Fall of 2006. The project staff will be available for one-on-one conversation to answer your questions and tell you what to expect during construction.

Thursday, January 26, 2006

5:00-6:30 p.m.

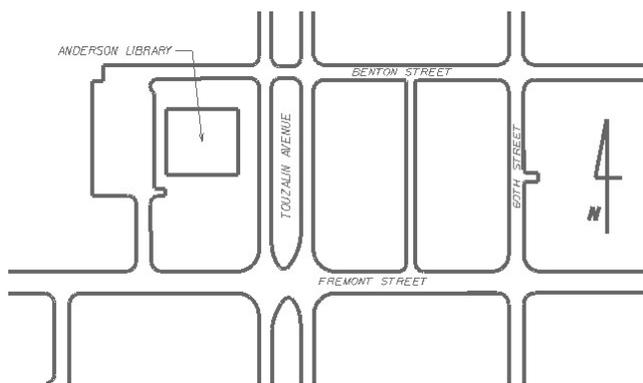

(Presentation at 5:30)

Anderson Branch Library

3635 Touzalin Avenue

 *Proposed Construction Location*

Meeting Location Map

Please join us on January 26th to share your thoughts!!
