

# PUBLIC WORKS & UTILITIES ADVISORY

MAYOR CHRIS BEUTLER

[lincoln.ne.gov](http://lincoln.ne.gov)

Engineering Services would like to announce our twelfth annual **SPRING MEETING**.

With snow still covering the ground it doesn't seem like Spring will ever get here, but we have decided to try and jump start it. We have scheduled time again this year to get together to discuss the upcoming year and new developments within the City of Lincoln at our Spring kick-off meeting.

As usual, we have new people, policies and procedures in place since we got together last year. Dave Rathjen has retired, Glenn Funk will be retiring soon, our Development Services staff will soon be moving to the new Development Services Center, Mark Miller is now a Construction Project Manager, Kirk Drake and Zach Becker are Construction Observers and Louise Weyer has moved over from LWS to join our Administrative Staff.

This year's meeting will be held **Thursday, March 4, 2010 @ the Lincoln Firefighter's Reception Hall, 241 Victory Lane**. (*Same location as last year's meeting.*) The meeting will have a new format this year. From 9:00 – 11:00 AM we will have scheduled presentations and from 11:00 – Noon we will have interactive stations, booths and educational opportunities. Refreshments will be available at 8:30am. Please see the proposed schedule below:

- 9:00 Opening Remarks
- 9:05 Overview of Public Works Outlook and Funding - Roger Figard
  - Streets - Outlook and Funding - Thomas Shafer
  - Watershed - Outlook and Funding - Ben Higgins
  - Water - Outlook and Funding - Nick McElvain
  - Wastewater - Outlook and Funding - Gary Thalken
- 9:30 Arena - Dan Marvin
- 10:00 Break
- 10:10 Development Services Center - Fred Hoke
- 10:30 Accommodating ADA During Construction - Harry Kroos
- 10:40 Stimulus Overview - Chad Blahak
- 10:45 Recognitions
- 11:00 Interactive Stations and "Jeopardy" - Site Supervisor Certification Version
  - The following departments and/or topics will have a station – Engineering Services, Watershed Management, Lincoln Water System, Lincoln Wastewater System and Updates to the Spec Book / LSP's / Traffic Control Guidelines. Jeopardy participants will **not** have to take the written Site Supervisor Certification test.*

Please feel free to ask questions at any time. If the answer is not immediately available at the meeting, we will post the questions and answers on the City's web site at [lincoln.ne.gov](http://lincoln.ne.gov) (keyword: spring meeting). If you have any questions about this year's meeting, the format or the topics, please feel free to contact Erika Nunes at 441-5675 or [enunes@lincoln.ne.gov](mailto:enunes@lincoln.ne.gov).

Thank you and we hope to see you there!

## ENGINEERING SERVICES

**P.S.** We will again offer Site Supervisor / Field Representative testing at the Reception Hall, however testing will only be offered in the afternoon starting at 1:00 PM. Please call 441-7711 and reserve your space and time so we can accommodate everyone who wants to take the tests.
