

56th Street and Colfax Avenue Storm Drain Project

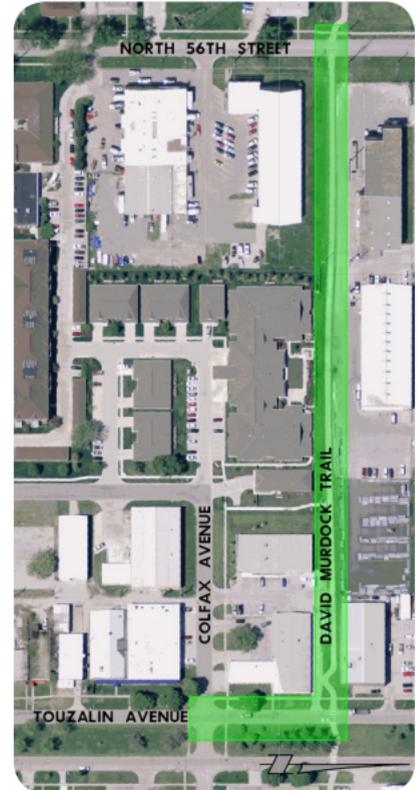

OPEN HOUSE

Please join us for an open house to learn more about the proposed design of a storm drain project near 56th and Colfax Avenue. The project will address deficiencies in the existing stormwater system in the area and increase the system's overall capacity. The existing David Murdock Trail will be modified as part of the project.

When: Thursday, January 30, from 4:30 – 6:30 p.m.

Where: Anderson Branch Library, 3635 Touzalin Avenue

At the meeting, City of Lincoln and project consultant representatives will share preliminary plans for the project and will be available to answer questions. A construction timeline has not yet been decided.
