

TUESDAY, JUNE 25, 2013
5:00 P.M. - 6:30 P.M.
LEFLER MIDDLE SCHOOL
1100 SO. 48TH STREET

PUBLIC OPEN HOUSE

LOCATION: This project is located in the Dead Mans Run Watershed and is bounded by J & L Streets, from 53rd to 55th Streets in Lincoln, NE.

INTENT OF PROJECT: The City of Lincoln is seeking to remedy some of the drainage issues in this area which include: structural and non-structural flooding, ponding in low-lying areas, and bringing the drainage system in the study area into compliance with current City of Lincoln Drainage Standards.

SCOPE OF WORK: New curb inlets will be built along with associated storm sewer pipes in an effort to alleviate some of the storm water ponding along J and L Streets. Additionally, a grate inlet will be constructed in the low area south of J Street, just west of 54th Street.

ESTIMATED CONSTRUCTION

SCHEDULE: This project is tentatively scheduled for construction in late Fall of 2013.

RIGHT-OF-WAY NEEDS: No right-of-way acquisition is expected; however temporary construction or access easements will be required.

COST: The estimated cost of the project is approximately \$370,000.

PROPOSED ACCOMODATION OF TRAFFIC DURING CONSTRUCTION:

This project will require street and/or lane closures. A detour route will be necessary. Access to some properties may be affected for short periods of time. Lane closures for this project should not adversely affect access for emergency vehicles.
