OLD CHENEY, 40TH STREET TO HIGHWAY 2

The City of Lincoln will hold a public open house and present information on proposed pavement repairs along Old Cheney Road. Through the environmental process, the City has received comments and questions about how work at the 56th Street and Old Cheney Road intersection will be completed. As a result, alternative means and methods of construction are being evaluated. The City is evaluating options for minimizing impacts during construction. There will be a brief presentation at the meeting to provide an overview of this analysis and the preferred alternative. Also, potential, temporary impacts to Old Cheney Trail are anticipated.

Project information can also be found at www.lincoln.ne.gov (keyword: old cheney), or by scanning the QR code. Information will be available for a 30-day comment period: July 20 – August 19, 2016.
