Cinch instructions for installing bags

Step 4 Wrap under & over cincher

Step 4 & 5 Cinching Bag

Step 5 Wrap over and under cincher

Step 6 Pull on each end

Step 1- Open the unit to the X position.

Step 2- Roll over ends of the bag to create a cuff.

Step 3 - Place bag in the center of the X-frame.

Step 4 - Wrap bag under and over the cincher on the opposite side and pull the bag toward you making sure the bag is cinched.

Step 5 - Wrap over and under the cinch bar making sure bag is secure.

Step 6 - Fully open the frame and pull down on the bag to make sure the cinch is secure.
