

STANDARD OPERATING PROCEDURES

7.1 STANDARD OPERATING PROCEDURES

The City currently has the following Standard Operating Procedures (SOPs) that are located in the Appendices. As new SOPs are developed, they can easily be added to this document.

1. Appendix B – SOP for Service Calls.
2. Appendix C – SOP for Jet flushing 15-inch and Smaller Lines.
3. Appendix D – SOP for Television Inspection.
4. Appendix E – SOP for One Call Locations.
5. Appendix F – SOP for Main Repairs.
