

## Request for Approved Alternative to Chapter 28.03

Provisions for Structural Best Management Practices are set forth in the Drainage Criteria Manual. Other Best Management Practices and other means and methods other than those set forth in the Drainage Criteria Manual may be used by the applicant, subject to Director approval on a case by case basis (reference 28.030.06, subsection c). The Director of Public Works and Utilities has five (5) working days from receipt of a completed form to approve or deny such requests. The Public Works and Utilities Director reserves the right to request additional information from the Applicant in order to make a determination.
