Please join us Thursday, July 15, 2021, for the July Northeast Citizens' meeting being held at the **Joyo Theatre**, located at 6102 Havelock Ave. We look forward to you joining us at 5:30 p.m.

Councilman Bowers will be joined by Whitney Houston and Keil Wilson who will be providing an overview and sharing information about the proposed redesign contest of the Lincoln flag.

The existing flag design, was adopted in 1932, includes depictions of the state Capital, corn, and wheat against a blue background.

A local contest is challenging Lincoln residents to redesign Lincoln's flag. The contest is open to all Nebraska residents. Those interested will be able to submit their design on the American Marketing Association website, <https://www.amalincoln.org/reflag-lnk/>, from July 1, 2021 to August 1, 2021. The website lists additional criteria for the contest, and is limited to one submission per person.

A committee of community representatives will judge the contest and cash prizes will be awarded to the designers of the top three flag designs. The top three designs will also be released for public comment. The committee will then use public feedback to help choose one design to propose to the City of Lincoln.

We look forward to you joining us for this month's Northeast Citizens' meeting!!!
