

**COUNCILMAN JAMES MICHAEL BOWERS
NORTHEAST CITIZENS' MEETING
THURSDAY, OCTOBER 17, 2019**

**Mike Davis
StarTran Transit Manager**

We are very pleased to welcome **Mike Davis** as our guest speaker this month!

Mike brings over 20 years of progressive experience managing public transportation, special projects, programs, and initiatives. Mike and the StarTran Transit staff, provide citizens a safe, convenient, accessible and affordable public transportation system.

As the City of Lincoln continues to grow, StarTran's Transit Development Plan continues to evolve. The plan has several primary objectives, with one being the Handi-Van services. The Handi-Van Program is a door-to-door transportation service created to help meet the transportation needs of individuals who experience disability and who, because of that disability, are unable to ride the regular fixed-routed City bus.

Mike will provide an overview of StarTran's Handi-Van services, the eligibility requirements, how one can register for Handi-Van services, the cost to ride, and where passes can be purchased.

Please join us to learn more about the services provided by StarTran, Mike Davis, and his role as the StarTran Transit Manager!

We look forward to you joining us for this month's Northeast Citizen meeting!!
