### Pool Tester Clinics

Due to the pandemic, all swimming pool water tester clinics at the Health Department have been suspended. If your facility has five or more persons needing training and certification, an onsite session may be available. To schedule, call 402-441-8029. Furthermore, the Lincoln-Lancaster County Health Department will require these onsite trainings to be open to other water testers on a limited basis. All Directed Health Measures will be enforced.

Individuals can call 402-441-8002 to get your name on a list for the next class. Once something has been scheduled, you will be contacted with information about the class. PLEASE BRING YOUR TEST KIT WITH YOU TO CLASS.
