Section 1. DISCIPLINARY ACTION -- CAUSE. Any action which reflects discredit upon the City service or is a direct hindrance to the effective performance of the municipal government functions shall be considered good cause for disciplinary action. Good cause for disciplinary action against any employee shall include any cause specified in Section 2.76.445 of the Lincoln Municipal Code and the written Rules and Regulations of the Lincoln Police Department, contained in the Operational Manual, and any other written posted directive of the Department which has been posted for a minimum of thirty (30) days.

Section 2. DISCIPLINE -- PERSONNEL ACTIONS. Personnel actions shall fall into three (3) categories: Reprimand, Suspension and Dismissal.

Personnel Actions shall be presented to the employee, who will initial receipt. A signed copy shall be delivered to the Human Resources Department for inclusion in the employee's personnel file. Copies of the Personnel Action shall be kept in a file at Department Headquarters. The employee may submit an explanation or rebuttal to be included in the appropriate file. Personnel Actions in the category of Reprimand shall not be grievable, as they do not constitute a loss of wages, suspension or dismissal, however they may be appealed to the Department Head following this procedure:

1. Employees shall raise any matters of disagreement with discipline by presenting a written notification to the Department Head, the Assistant Chief or, the Chief's Administrative Assistant within ten (10) calendar days of receiving such discipline.
2. The Department Head shall arrange for a meeting with the employee within seven (7) calendar days.
3. The Department Head will render a written decision within ten (10) calendar days after meeting with the employee.
4. The Department Head's decision will be the final authority on the matter.

Section 3. DISCIPLINARY ACTIONS -- SUSPENSION. The Department Head may suspend any employee without pay for cause for a period or periods not exceeding two hundred forty (240) working hours in any consecutive twelve (12) month period; however, no single suspension shall be for more than one hundred twenty (120) working hours. The Department Head shall orally notify the employee concerned with confirmation to the Human Resources Director and employee in writing no less than one (1) calendar days after the

date the suspension is made effective. Such notice shall include the reasons for the duration of the suspension.

Section 4. DISCIPLINARY ACTIONS -- DEMOTIONS. The Department Head may demote any employee for just cause. A written statement of the reasons for any such action shall be furnished to the employee and a copy filed with the Human Resources Director.

Section 5. DISCIPLINARY ACTIONS -- DISMISSAL. The Department Head may dismiss for cause any regular employee under their jurisdiction by delivering, at least fifteen (15) calendar days before the effective date thereof, a written statement of reasons to the employee concerned and to the Human Resources Director. If the Department Head, because of the reasons for the discharge, desires to make an immediate separation from the service, they may make a suspension without pay, pending discharge. By so notifying the Human Resources Director in writing, such action shall automatically result in permanent separation at the end of the period of such suspension. Suspensions pending discharge shall not be subject to the limitations provided in other sections of these rules.

Section 6. FILE MAINTENANCE -- PERSONNEL ACTIONS. If an employee has received Personnel Actions, except suspension or dismissal, the employee may request in writing that those Personnel Actions over two (2) years old be removed from the employee's files maintained in the City Human Resources Department and the Police Department. No copies or notations of these Personnel Actions shall be maintained in either the City Human Resources Department or the Police Department. Personnel Actions for suspension or dismissal will not be purged from an employee's personnel file. All Personnel Actions removed from files maintained at the City Human Resources Department and Personnel Department at the Police Department will be maintained in a confidential file. The information maintained in such file shall not be used to evaluate disciplinary action or be considered for eligibility for promotions, special positions or training opportunities, but may be used for the purpose of responding to appropriate record requests. Any materials removed from a Police Department file, which are required to be maintained by the records retention requirements established by the Nebraska Secretary of State shall also be maintained in said confidential file.

When a Personnel Action is removed from the file pursuant to the contract, no document will be placed in the file reference to the document.

Section 7. EMPLOYEE INCIDENT REPORT. Any documentation concerning the conduct of an employee that is not recorded on a Personnel Action shall be recorded on the Employee Incident Report form. Employee Incident Reports are divided into five areas: education, commendation, inquiry, warning and complaint. The reports can have the following dispositions: exonerated or sustained. This form is to be used for minor infractions and also to commend performance or behavior that is above standard.

When an Employee Incident Report is completed, it shall be kept in a file at the Police Department, but not forwarded to or kept at the City Human Resources Department. Those Employee Incident Reports which deal with education, warning, or commendation will be kept in the employee's personnel file in the Support Division. All other Employee Incident Reports will be kept in a file in the Department Head's Office.

Employee Incident Reports received during a rating period may be used by the employee's supervisor as a source of information for the evaluation. Employee Incident Reports can be used for the promotional process and for the selection process for specialized openings.

The Department may purge any educational Employee Incident Reports after six months and other Employee Incident Reports after one year.

An employee may request in writing that an Employee Incident Report more than six months or one year old be purged according to type as listed above. Employee Incident Reports may be retained for more than one year when the Employee Incident Report constitutes a step in a progressive disciplinary process which has led to a Personnel Action, in which case the Employee Incident Report may be purged at the same time and in the same manner as the Personnel Action itself. Any Employee Incident Report which remains in the personnel file after the time it was eligible to be purged shall not be used for any purpose.

All Employee Incident Reports which are purged will be maintained in a confidential file. The information maintained in such a file shall not be used to evaluate disciplinary action or be considered for eligibility for promotions, special positions or training opportunities, but may be used for the purpose of responding to appropriate record requests. Any materials removed from a Police Department file, which are required to be maintained by the records retention requirements established by the Nebraska Secretary of State shall also be maintained in said confidential file.

ARTICLE 9 - GRIEVANCE PROCEDURE

- Section 1.** The grievance procedure set forth herein is designed to preserve harmony and friendly relations between the City and its employees. Furthermore, the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee who may submit or be involved in a grievance. The grievance procedure shall not be used to change, but to clarify provisions of the Personnel Code, municipal ordinances, Department rules and regulations, and the contract between the Union and the City.
- Section 2.** A grievance is hereby jointly defined to be any disagreement concerning the interpretation or application of the specific and expressed provisions of this Agreement relating to wages, fringe benefits, or working conditions. It is also agreed that the procedure outlined in this Article will be followed in any disagreement over the interpretation or application of a Department General Order, through Step 2 only.
- Section 3.** It is understood and agreed that a written grievance under this Agreement, in order to be valid, must allege a direct violation of the express purpose of the contractual provision in question. It is also understood and agreed that it is the intent of the parties of this Agreement that a written grievance shall not be valid if such written grievance challenges action taken by the City in the exercise of inherent management rights, except where such written grievance is based upon an express limitation thereon.
- Section 4.** In reducing a grievance to writing, the following information must be stated with reasonable clearness: The exact nature of the grievance, the act or acts of commission or omission, the exact date of the act or acts of commission or omission, the identity of the party or parties who claim to be aggrieved, the identity of the party or parties alleged to have caused the grievance, the specific provisions of this Agreement that are alleged to have been violated, and the remedy which is sought.
- Section 5.** DEMOTION, SUSPENSION OR DISMISSAL. In the case of a demotion, suspension or dismissal, Steps 1-2 of the grievance procedure shall be eliminated, and the employee shall present notice of appeal to the Human Resources Director or their designated representative within fifteen (15) calendar days from the date of notification of the discipline for scheduling on the Personnel Board agenda.
- Section 6.** Grievances shall be processed in the following manner:

- Step 1. Employees shall raise any matters of disagreement by presenting a written grievance to the Chief of Police, the Assistant Chief, or the Chief's Administrative Assistant within ten (10) calendar days of the occurrence giving rise to the grievance. The division chief shall within seven (7) calendar days attempt to informally resolve the grievance with the employee and the employee's unit command officer. If not resolved or withdrawn by the employee at the meeting, the employee shall request that the grievance proceed to Step 2 by notifying the Department Head, in writing, within three (3) calendar days.
- Step 2. Upon receipt of the employee's written request to proceed to Step 2, the Department Head shall arrange for a meeting with the employee within seven (7) calendar days. The Department Head will render a written decision within ten (10) calendar days of the meeting with the Department Head.
- Step 3. If the grievance is not resolved under Step 2, and the employee has not withdrawn the grievance, the employee shall within fifteen (15) calendar days from the date of the written response from the Department Head request in writing to the Human Resources Director or their designated representative that the grievance be placed for hearing before the Personnel Board.

Section 7. A grievance may be initiated and prosecuted by the City with regard to actions by the Union which are violations of this Agreement by the filing of such grievance, in writing, with the designated representative of the Union. Notice shall be given by certified mail. Within thirty (30) calendar days of the date of delivery of such grievance, the designated representative of the Union, and the City, through its designated representative, shall arrange for a meeting in order to discuss the grievance. The designated representative of the Union shall provide the City, or its designated representative, with a written answer to the grievance within five (5) calendar days after the conclusion of such a meeting. If not resolved, the City may request a hearing before the Personnel Board by notifying the Human Resources Director, in writing, within seven (7) calendar days from the date of the Union response above. Upon such written notification, the Human Resources Director shall arrange for a hearing before the Personnel Board within thirty (30) calendar days from the date of request.

Section 8. Unless waived in writing by the grievant and Department Head or their representatives, the time limits provided for in this Article shall be strictly

construed and the failure of either party to meet the time limits listed in this Article relative to resubmittal of the grievance shall constitute an unconditional acceptance of the remedy promulgated at the last step, or shall constitute a withdrawal of the grievance, whichever is appropriate.

Section 9. An aggrieved employee shall have the right to process their grievance individually, by the Union, by an attorney at law, or by both.

Section 10. If said settlement is not reached through the grievance procedure as set out herein, the aggrieved employee or the City shall have the right to seek adjudication of the respective parties' rights before a court of competent jurisdiction in Lancaster County, Nebraska.

ARTICLE 10 - INTERNAL AFFAIRS AND EMPLOYEE RIGHTS

Section 1. Any employee who is the subject of a complaint filed with the Internal Affairs Office shall be informed of the nature of the complaint in writing as soon as possible following the determination by the Department Head or their designated representative as to whether the complaint will be handled formally or informally and who will handle the investigation. The written notice must contain the following information: 1) Name of complainant; 2) Nature of the initial complaint with specific allegations outlined; 3) Time and date of occurrence of alleged act or commission; and 4) Location. The employee shall contact the Internal Affairs Unit within five (5) calendar days for the purpose of scheduling an interview that must be held within ten (10) days of the date on the written notification.

The City will not initiate an investigation at the team level to circumvent the rights of the officers as set forth in this Article.

Section 2. The City and the Union agree that the right to representation during the investigation and adjudication of alleged misconduct is not to be denied to any employee.

Section 3. No employee under investigation shall be loaned or reassigned to the Internal Affairs Office except when such employee is to be interviewed, and then only for such time as is reasonably necessary to conduct such interview.

Section 4. Once notified of a formal Internal Affairs complaint, only Internal Affairs may interview the employee about the complaint. The interview of an employee shall be during regular Internal Affairs office hours. No employee shall be scheduled for interviews on their day off, however any employee who is interviewed off-duty will be paid overtime.

Prior to such interview the employee or the employee's representative shall be given the right to review all materials contained in the file that forms the basis for the requested interview, including copies of any complaint, but excluding materials containing confidential or privileged information, at least forty-eight (48) hours prior to such interview. The employee may waive notice and access to the materials. The employee shall have the right to submit additional materials after the interview.

In cases where initial allegations could result in a criminal charge or involve alleged dishonesty, the initial interview with the employee or the employee's representative may be held prior to the employee or the employee's

representative reviewing materials contained in the file that forms the basis for the requested interview.

Section 5. During an investigation of an Internal Affairs complaint, other alleged violations may be found. In the event the alleged violation(s) do(es) not come within the context of a formal Internal Affairs investigation, it will be referred to the division level for disposition.

Limited to the situation where a citizen complaint has been filed against an employee, and after an investigation by the Internal Affairs Office of that complaint when no corroborating evidence has been uncovered to prove or disprove either the citizen's complaint or the employee's explanation of the incident, it shall then be the right of the complaining citizen to take a polygraph examination administered by the polygraph examiner of the Lincoln Police Department if such citizen wishes to continue the processing of their complaint. If such polygraph examination shows the complaining person or witness to be truthful as to the relevant issues of the complaint, then the employee at the discretion of the Department Head, may be compelled to submit to a polygraph examination regarding that investigation; and the employee shall have the right to select a mutually agreeable polygraph examiner for the purposes of this Section. In the event the parties shall be unable to mutually agree upon a polygraph examiner, the Human Resources Director shall select a polygraph examiner for the purposes of complying with this Section.

In no event shall the results of the polygraph examination be admitted into evidence at any Police Review Board hearing when it is the only evidence to support an allegation or the only evidence to corroborate the testimony of a complainant.

Section 6. When an employee has had a complaint filed against them in Internal Affairs, the case file will not be kept in Internal Affairs for more than eighteen (18) months from the date of the incident. After eighteen (18) months the file will be sealed and placed in a locked file cabinet in the Department Head's custody. The employee and the Union will be notified in writing of the retention of the file. It will be the responsibility of the Department Head to ensure the transfer and segregation of the Internal Affairs case files, provided however that Internal Affairs may maintain a file which shall contain name of employee, date of hire, date of complaint, name of complainant, type of complaint, Internal Affairs case number, LPD case number, disposition and date the Internal Affairs case file was transferred to the Department Head's custody. This file shall not be used anytime for enhancing any personnel action against an employee.

The seal on Internal Affairs files kept in the Department Head's custody shall only be broken for review in situations where the City, the Department and/or employee is a party to legal action involving performance of duty. Prior to unsealing the file, the employee and the Union President or designated representative will be notified in writing.

These files shall only be unsealed by the Department Head or designated representative. The information maintained in such a file shall not be used to evaluate disciplinary action or be considered for eligibility for promotions, special positions or training opportunities, but shall be retained for purposes of satisfying the Nebraska Secretary of State's record retention requirements and responding to appropriate record requests.

- Section 7.** No portion of an investigative Internal Affairs report shall be given to, or maintained by, anyone outside the Police Department except legal counsel for the affected employee and the City, or as directed by a court order.
- Section 8.** Any person desiring to file an Internal Affairs complaint will be required to fill out a complaint form and sign the form in the presence of witness. The complainant's signature on the form will verify the truthfulness of the complaint. If the complainant is found to have made a false statement to the Department, the form and all statements made by the complainant may be used to prosecute the complainant for making a false report. The requirement for a signed complaint shall not apply to investigations initiated by the Department Head.
- Section 9.** The City will not discipline officers for matters pertaining to the use of force if the force is consistent with the officer's department training.
- Section 10.** An employee may ask for a review of an issued EIR (Education or Warning) discipline for actions that they were ordered or told to do by a supervisor to the Department Head. The request for review and employee's comments shall be reduced to writing and submitted to the Department Head or their designee within ten (10) calendar days from the employee receiving the EIR. The Department Head shall have the ability to affirm, amend or rescind the EIR.
- Section 11.** When an employee is the subject of a line investigation conducted at the team level and the investigation originated from a citizen complaint, the employee must be told that a complaint was made and they are the subject of an investigation before being asked any questions about the incident.

ARTICLE 11 - SENIORITY

Section 1. Seniority shall be based on continuous length of service in classification without a break or interruption; provided, that any suspension for disciplinary purposes, absence on authorized leave with pay, absence due to a temporary separation while on a duty disability pension, absence on authorized leave without pay for thirty (30) calendar days or less; or layoff for thirty (30) calendar days or less, shall not constitute a break or interruption of service within the meaning of this Section. Any layoff or authorized absence without pay for more than thirty (30) calendar days shall result in an adjustment in seniority for all time on leave or layoff. Employees on military leave of absence shall be exempt from any adjustments to seniority due to the absence without pay.

Any employee that reverts back to a lower classification shall return to their original place on the seniority list held prior to assuming a promotion relative to others within the lower class.

Section 2. Educational leaves of absence for more than thirty (30) calendar days may be granted by the Department Head with approval by the Human Resources Director, and will result in an adjustment in seniority when the employee returns to the classified service in the Department. If the employee remains in the classified service for a period of two (2) years after returning, the employee's seniority will be readjusted to incorporate time spent for educational leave, if the employee so notifies the Department that they desire the adjustment.

Section 3. The Union shall provide the City with a seniority list within thirty (30) calendar days of the signing of the contract showing the seniority of each member of the bargaining unit. That list shall then become binding upon all parties to this Agreement.

Seniority of employees not shown on that list shall be determined in the following manner:

1. Seniority shall commence from the date the employee enters a classification.
2. Where two (2) employees enter a classification on the same date, their seniority shall be determined by:
 - a. the original date of hire as a Police Officer;
 - b. if employed on the same day, the date of application and if the same,

- c. a designation by the Department Head at the time of hire as to rank and seniority.

The designation of the Department Head shall be final and binding upon the employee involved. The seniority list as updated annually by the Department Head in accordance with this Section shall become a part of this Agreement.

Section 4. A list of employees arranged in order of seniority by classification shall be maintained and made available for examination by employees, provided that the seniority list be revised and updated in accordance with Section 3 of this Article; a copy of the same shall be transmitted to the Union.

Section 5. Seniority, subject to the exercise of management rights, shall be the primary consideration in granting employee preference relative to holidays off, vacation leave time, shift assignments and days off.

Officers who are assigned to uniformed Teams will bid by seniority every year for Team, beat, days off, and shift assignments. Sergeants assigned to uniformed Teams will bid for Team, days off, and shift assignment every year. Officers and Sergeants assigned to the Criminal Investigations Team, Narcotics Unit, Education and Personnel Unit, and Traffic Unit will bid for days off and shift assignments within their specialized unit every year.

For the purpose of this Section, any Officer or Sergeant may be assigned to a specialized unit within such Team or Unit; for example Case Detective, Family Crimes, Polygraph, TIU and Vice within the Criminal Investigations Unit or a Team Detective or any other specialized unit so designated by the Department Head. When the bid occurs for the Officers or Sergeants, the selection will be restricted within the specialized units. Case managers are not to be considered specialized and will be appointed by management after the bid.

Since certain assignments within the Criminal Investigations Unit require specialized training or experience, management shall have the right to assign shift and days off to any Officer within the Criminal Investigations Unit with less than one year of service within the Criminal Investigations Unit as they feel will best benefit the employee and the department. This assignment will not be available for other assigned personnel to bid nor show up on the bid posting. After one year of service, the Officer will be allowed to choose shift and days off by seniority.

New Officers will fill positions created by absences due to injury leave, limited duty or vacancies. New Officers will not participate in the annual bid until the next recruit academy class has graduated and completed field training. New Officer assignments

during this period shall be temporary and not subject to any other time limitations than those provided in this paragraph. After this period, management shall permanently assign new Officers. Once permanently assigned, new Officers will be treated as any other employee in future bids. Upon return from injury leave or limited duty between bids, and subject to management rights, an employee will be returned to the same Team/Unit assignment the employee had prior to the leave.

Each year schedules approved by the Department Head regarding Officer days off and shift assignments of the Teams/Units will be posted and provided to the Union by November 15th and will reflect all positions allocated for the Team/Unit for the upcoming year. Management will inform the Union of the number of slots to be held open for each team. No specific slots will be designated by management as "vacant", therefore, unable to be bid. The Union shall conduct the bid by seniority and return the completed schedule to the Department Head by December 15th.

During the month of January, each Team/Unit shall open its holiday and vacation schedule for the remainder of the bid year. Each Officer may request any holiday off and any vacation leave (in blocks of 7 days inclusive of days off or a minimum of 36 hours for any closed dates) by seniority, and the Team/Unit will approve any time off based on seniority. Upon the completion and entry of holidays and blocks of time requests by seniority, or by January 31, whichever is earlier, any additional requests for vacation, holiday or compensatory time off will be considered and approved or denied on a first come first served basis.

The new bid schedule shall go into effect at the beginning of the first full pay period in January. For the purposes of this Agreement, the time which passes between the effective dates of the selection process will be considered one year.

Section 6. When new positions are allocated or positions are vacated, the Department may elect to open the position(s) for a selection process.

If new positions or vacated positions are opened for a selection process for the rank of Officer or Sergeant on any Uniformed Team/Unit (not specialized units), they will be posted Department-wide. Positions on any Uniformed Team (1, 2, 4, 5 and 7) will be selected by seniority with preference given to officers assigned to the Team/Unit in which the opening occurred. A Sergeant's position on any Uniformed Team (1, 2, 4, 5 and 7) will be selected by Department-wide seniority.

Postings for all opened positions will be on a bulletin board in the lineup room for a period of ten (10) days. During this time, anyone wishing to fill the posted position must submit a signed memo or an email to the Education & Personnel Unit Personnel Sergeant or as designated on the posting, expressing interest in the position(s). The

memo places the officer in the selection process and is not to be construed as an offer or acceptance of any open position.

The posting will provide a date and time the selection process will take place. It will be the responsibility of any Officer or Sergeant submitting a memo to make themselves available at the listed time and date, either in person, by telephone, or if unavailable, by proxy with prior signed notification of the identity of the proxy, in order to participate in the selection process. If the Officer or Sergeant cannot be contacted within a fifteen (15) minute time period on the selection day, the Officer or Sergeant will be bypassed for the position and will be removed from the selection process. If an Officer or Sergeant elects to pass on the opening, they must at that time indicate if they are still interested in subsequent openings. If not, they are out of the process. Once an opening has been filled, and management determines that the subsequent openings will be filled, Officers or Sergeants still in the process will be contacted by seniority to fill the subsequent opening. This process will be continued within the Team or Unit and then again Department-wide until all openings have been filled. Management retains the right to end this process at any time. Management may state the intention to limit the process within the original posting, and in this fashion limit the memos of interest in the opening(s).

Employees selected to fill vacated or new positions will work the shift and days off which correspond to that position until such time that realignment of shift assignments and days off occur.

Employees on probationary status shall not be eligible to participate in this process. As probationary employees become ready for assignment, management shall permanently assign them as needs dictate. Once assigned, probationary employees can then participate in the processes previously stated in this Section.

Section 7. When new positions are allocated or positions are vacated for specialized positions, and the positions are to be filled, the Department will post the position Department-wide for all eligible employees, with management rights to control the selection process.

The posting will be on the bulletin board in the lineup room for a period of ten (10) days. The posting will include a description of the position's duties, hours and days off, and what the selection process will be. During this time, anyone wishing to apply for the position must submit a signed memo to the Education & Personnel Unit expressing interest in the position.

Employees selected to fill vacated or new positions in specialized Teams/Units will work the shift and days off which correspond to that position until such time that realignment of shift assignments and days off occur.

Section 8. Seniority for the purpose of computing rate of vacation leave earnings shall date from initial appointment to a classified position in the service of the City.

Section 9. No employee shall evaluate, discipline or investigate a complaint of another employee of the same rank. The Internal Affairs Sergeant and the Field Training Officer Coordinator are exempt from this language.

ARTICLE 12 - NON-DISCRIMINATION

Section 1. The parties hereby agree not to discriminate against any employees because of race, color, creed, sex, religious or political affiliations, national origin, age, marital status, sexual orientation, receipt of public assistance, or Union or non-Union membership.

Section 2. The parties hereby agree that no officers, agents, representatives, members or anyone connected with either party shall in any manner intimidate, coerce, restrain, or interfere with the rights of employees to form, join, or assist labor organizations, or to refrain from any of these activities, including the right of employees to withdraw, revoke, or cancel Union membership.

After one (1) week waiting period, the ill or injured employee shall be paid retroactive for that one (1) week. This policy shall be strictly voluntary on the part of the Union. Police management and the City shall be held harmless of this agreement.

Section 2. FUNERAL LEAVE WITH PAY.

a. In the case of the death of a mother, father, stepmother, stepfather, sibling, husband, wife, child, stepchild, current foster child, mother-in-law, father-in-law, or in the case of death of any other relative residing in the immediate household of a regular employee, the employee shall be allowed thirty-two (32) hours funeral leave with regular pay without deduction from the employee's pay or accumulated sick leave. In the case of temporary total disability of an employee received in the line of duty, there shall be such payment as provided by Pension Ordinances 2.62, 2.65 or 2.66, whichever applies. With regard to the injury leave provided for in these ordinances, the employee may use injury leave for up to six (6) months of time lost from work due to the injury, so long as the six (6) months of injury leave is used within the twelve (12) months period from the date of the occurrence of the injury. In no event shall the six (6) months of injury leave provided herein extend beyond one (1) year (12 months) from the date of the occurrence of the injury.

Section 4. VACATION LEAVE WITH PAY.

a. **Amount.** Each regular employee shall earn vacation leave credit annually as follows:

After successful completion of the first six (6) months of employment--at the factored hourly equivalent of forty (40) hours for the second six (6) months of service.

Section 5. Management shall schedule vacation leave in accord with operating requirements and insofar as possible with requests of employees.

- c. **Accumulated Leave.** Employees may accumulate vacation leave to a maximum of forty (40) hours over and above the employee's maximum annual earning rate. No additional vacation leave shall be earned until such time as the employee's accumulated vacation leave drops below the stated maximum. In such event, the accumulation of vacation leave will again commence, but in no event shall it exceed forty (40) hours over and above the employee's maximum earning rate.
- d. **Termination Leave.** Any employee who has completed the probationary period after original appointment and leaves the city service in good standing after giving two (2) weeks' notice of such termination of employment shall be compensated for vacation leave accrued and accumulated to the date of separation. Such two-week notice may be reduced or waived by the department head in the event of extenuating circumstances.
- e. **Waiving Vacation.** For the purpose of maintaining necessary personnel on duty to accomplish City work, the Department Head, with approval of the Mayor, may waive accumulated vacation leave in excess of eighty (80) hours for any employee entitled to more than eighty (80) hours vacation leave in any year and in lieu thereof grant such employee additional pay at the employee's usual rate of pay as of the last January 1; provided, the Department Head shall waive vacation and grant additional pay in lieu thereof as provided above, unless there are sufficient funds therefor in the Department's budget for salaries. Section 5. LEAVES OF ABSENCE WITHOUT PAY, PREGNANCY LEAVE and MILITARY LEAVE WITH PAY are set forth and will be used in accordance with the Personnel Code stipulations in Chapter 2.76 of the Lincoln Municipal Code entitled "Personnel System".

Section 6. NON-DUTY RELATED TEMPORARY DISABILITY. Any employee who is temporarily disabled due to a non-duty related injury, illness, or medical condition may submit a request in writing to the Department Head to be placed in a temporary modified work assignment. The disabled employee making the request must then provide the name and address of the treating physician, must sign an Authorization for Medical Reports and Records

form, and will incur all expenses involved in obtaining the required medical documentation, including the costs of the medical examination and the costs of furnishing such medical or other supporting evidence regarding any injury or conditions. The Department will then provide the employee's treating physician with a copy of the proposed limited duty job description, and request the treating physician to confirm the employee's ability to perform these duties. If the Department Head determines that the Department cannot accommodate the employee's temporary medical restriction in a short-term and productive employment position, and the employee remains temporarily disabled from employment, the employee will be required to utilize leave in a paid status or request a leave of absence without pay. Such time in a paid status shall consist of sick leave, vacation, or other accumulated leave. Should an employee's temporary disability become permanent in nature, the City shall comply with the requirements and guidelines of the Americans with Disabilities Act with regard to reasonable accommodation. An employee may be assigned to limited duty for up to two hundred ten (210) days in a twelve (12) month period beginning with the initial light duty assignment. Where a light duty assignment is provided as an accommodation, in accordance with the Nebraska Fair Employment Practices Act, to individuals who are pregnant, have given birth, or have a medical condition related to pregnancy or childbirth, the light duty assignment does not count towards the 210-day limit. Limited duty assignments for duty related illness, injuries or medical conditions are governed by the current City Administrative Regulation and Department General Orders.

Personal holiday hours may be taken at any time during the year, provided the hours selected by the employee have the prior approval of the appointing authority. Upon separation from City service, an employee will not be compensated for personal holiday hours not taken. The personal holiday bank cannot exceed fifty-seven (57) hours.

b. **Authorized Holiday Bank.** Employees will have the option of receiving either holiday pay or placing the holiday pay hours, or portion thereof, in an authorized holiday bank. Employees will be allowed to accumulate up to eighty-two (82) hours of authorized holiday bank time. Holiday bank hours will be computed from regular pay sheets and maintained by the Police Department. Upon separation from City service, an employee will be compensated for authorized holiday hours left in the holiday bank at the employee's regular hourly rate of pay at the time of separation.

Holidays which occur during a vacation, sick, funeral, or injury leave shall not be charged against that leave. An employee absent without authorized leave on the last

- b. Regular full-time employees who normally work ten (10) hour shifts will be credited with pay at straight time not to exceed eight (8) hours for each of the holidays authorized by this Article that fall on the employee's day off, provided, however, that employees who work ten (10) hours who are scheduled off will receive ten (10) hours pay at straight time. Then the overtime rate would be three (3) times the employee's regular rate of pay, as per Subsection (c).

f. All hours paid for as holiday allowance shall be used in the computation of weekly overtime only when the authorized holiday falls within the employee's regular scheduled work week.

g. Officers assigned to rotated positions will not be allowed to exercise seniority over a less senior officer assigned to a uniformed team for the purpose of working on a holiday.

On holidays, the Department will staff uniformed teams at a level of at least two officers over minimum staffing. This reimbursement will be contingent upon the presentation of a receipt to the City for same. The body armor purchased by the employee shall be concealable armor of the employee's choice and shall become the exclusive property of the employee. If an employee leaves City service, for any reason within one (1) year from their original date of hire, the employee will either return in good condition to the Department body armor purchased under this provision, or reimburse the City for funds granted to the employee to purchase body armor. If the employee chooses to return the vest, the City will reimburse the employee for the difference between the purchase price and the eight hundred dollars (\$800.00) reimbursement.
- Section 5.** Regular replacement articles shall be provided as necessary for wear or damage or loss of uniforms and equipment occurring while in the performance of duties.
- Section 6.** The City shall provide a cleaning allowance of thirty-five dollars (\$35.00) per month to be paid to all bargaining unit employees for the purpose of cleaning and maintaining uniforms and civilian attire.

ARTICLE 18 - HOURS OF WORK AND DUTY SHIFTS

- Section 1.** From time to time, nine (9), ten (10) or twelve (12) hour working shifts may be made available. When nine (9), ten (10) or twelve (12) hour working shifts are available, the option, within demand constraints, to work these shifts will be made available to employees working eight (8) hour shifts. When an employee elects to change their work shift to either an eight (8), nine (9), ten (10), or twelve (12) hour shift, they may not, without management consent, again change their work shift to a different number of hours.
- Section 2.** Each employee shall be entitled to either two (2), three (3), or four (4) consecutive days off each week, consistent with the work day in Section 1.
- Section 3.** During an emergency as defined by the Department Head, employees' shifts, hours, and duties may be established at the discretion of the Department Head.
- Section 4.** No days off shall be changed to specifically avoid the payment of overtime. No days off and/or shift assignments shall be changed to specifically avoid the payment of overtime in regard to University of Nebraska football game days.
- Section 5.** Employees' shifts shall be regularly scheduled and not split, unless split duty shifts are mutually agreed by the City and employee. This section shall not apply to regularly scheduled split duty shifts for employees assigned to Family Crimes and the Education & Personnel Unit in which no more than one shift per week per employee will be split.
- Section 6.** The eight (8), nine (9), ten (10), or twelve (12) hours constituting a day's work, as provided for in Section 1, shall include one (1) break period per four hours of shift worked. The two (2) break periods for eight (8), nine (9) and ten (10) hour shifts and three (3) break periods for twelve (12) hours shifts shall be paid and shall each be fifteen (15) minutes in duration.
- Section 7.** Members of the bargaining unit sent to any schools or conferences not conducted by the Department shall not be eligible for any overtime or compensatory time, except as provided in Article 19, Section 2.

Section 8. Employees working twelve (12) hour work days are required to flex off a total of four (4) hours within the two week work period. The four (4) hours or any portion thereof may be taken by the employee at any time during the work period with supervisory or management approval, consistent with the needs of the Department, provided that employees who have failed to take the four (4) hours off or schedule the four (4) hours off by the fifth scheduled working day in their work period will be asked to schedule this time off. In the event that no mutually agreeable time can be found, the needs of the Department, as determined by the supervisor or manager, shall take precedence in determining the scheduling for the four (4) hours flex time, provided that the four (4) hours or any remaining portion of the flex time will be taken at the beginning or end of the scheduled work shift.

ARTICLE 19 - OVERTIME, CALL BACK, AND STANDBY PAY

(To supplement pertinent sections of the Lincoln Municipal Code)

- Section 1.** Hourly rate of pay shall be an employee's annual base salary divided by 2080 hours.
- Section 2.** OVERTIME PAY. Hours worked by the employee in excess of eighty (80) hours in a fourteen (14) day pay period will be compensated at 1 2 times regular rate. When calculating hours worked, the computation of overtime will exclude sick leave. Overtime shall not be paid twice for the same hours worked.
- Section 3.** Employees who volunteer to participate in any task force, committee or meeting during such time that is on their regular day(s) off, approved leave day or not part of their regular work day, shall be entitled to overtime compensation at the rate of time and one-half (1 ½) the actual hours in attendance.

Employees called to duty for any other reason during their off-duty time and such time does not merge with their scheduled tour of duty, or they are required to attend as a witness or in any other capacity directly related to their official duties, any case pending in Juvenile Court, County Court, or in District Court, or before any Grand Jury proceedings or in conference with the City or County Attorney or their respective assistants, or at any pre-trial conference or any other related hearings, or at any proceedings by any City, County, State or Federal Government or any of the subdivisions or agencies thereof, during off-duty periods, shall be entitled to overtime compensation at the rate of two (2) hour minimum at time and one-half (1 ½) rate, or one and one-half (1 ½) times the actual number of hours in attendance, whichever is greater unless the overtime requirements are contiguous to their work assignment.

If an employee is required to attend under any of the circumstances listed in the preceding paragraph hereof during those periods which are the employee's regular day off or are on an approved leave period longer than three (3) days, then the employee shall be entitled to overtime compensation at the rate of a four (4) hour minimum at time and one-half (1 ½) rate; or one and one-half (1 ½) times the actual number of hours in attendance, whichever is greater. If an employee gives fourteen (14) days' notice to the court officer and does appear at the scheduled time, the three (3) day minimum does not apply.

If an employee is contacted at home for the purpose of Court cancellation and the employee is not given at least six (6) hours' notice, the employee will be compensated at the following minimum rates: one (1) hour overtime on a regular work day and two (2) hours overtime on a regular day off or on an approved leave day. If the employee does not receive notice of the cancellation and appears in Court at the scheduled time, the employee will be compensated at the normal rate. An approved leave day shall be scheduled fourteen (14) days in advance.

If an employee is required to participate in a proceeding by telephone or other electronic communication method (ex. ALR Hearing) rather than in person, the employee shall be entitled to overtime compensation at the rate of time and one-half (1 ½) for the actual hours the employee is required to participate or a minimum of two (2) hours at the rate of time and one-half (1 ½) during off hours of a regularly scheduled day of work, whichever is greater unless the overtime requirement is contiguous to the employee's regular work assignment. For such hearings on a regular day off or while on approved leave period longer than three (3) days, the employee will be entitled to overtime compensation at the rate of three (3) hours at time and one-half (1 ½); or one and one-half (1 ½) times the actual number of hours in attendance, whichever is greater, unless the overtime requirements are contiguous to their work assignment.

- Section 4.** Only the Management Command Officers of the Department have the authority to direct an employee to standby duty. When an employee is directed to standby duty, the employee shall receive one (1) hour of straight time pay for eight (8) hours of standby duty or any fraction thereof that occurs between regularly assigned duty shifts. Any standby assignments occurring on the employee's regularly scheduled days off will be compensated at two (2) hours straight time pay for each eight (8) hours of standby duty or any fraction thereof.
- Section 5.** In calculating overtime pay, employees will be compensated for actual time worked in accordance with the Fair Labor Standards Act.
- Section 6.** In lieu of payment for overtime hours worked, the employee may request to take compensatory time off. If request is approved, one and one-half (1 ½) hours of compensatory time shall be credited for each overtime hour worked not to exceed a total of eighty (80) hours in the employee's compensatory time bank.
- Section 7.** Overtime rate of time and one half (1 ½) will be paid for actual time involved on work related telephone calls or work related home contacts. The work related telephone calls or work related home contacts must be from a

commanding officer (Captain or above). Overtime will not be paid for work related telephone calls or work related home contacts which pertain to officers failing to complete reports or not performing their required duties, or any exercise of seniority for job preference. Such overtime granted must be approved by the commanding officer (Captain or above) who initiated the call or home contact. No overtime will be allowed for calls or home contacts initiated by anyone other than those mentioned in this Section (Section 7).

Phone calls or texts relating to notifying staff of significant events or dangerous conditions are *de minimis* and will not be compensated. Where an employee is contacted at home by a City or County Attorney regarding an active case, such time shall be compensable time, if not *de minimis*, and shall be paid at the employee's regular rate, unless it qualifies as overtime, in which case it shall be paid as overtime.

ARTICLE 20 - TRAINING

- Section 1.** In the interests of continued proficiency, both the City and the Union recognize that continued training is in the interests of both the City and its employees. For the purpose of promoting training as may be allowable by the budget, it is desirous to adopt requirements regarding attendance for training.
- Section 2.** Because of the high cost of overtime and because there are generally more volunteers than spots available for outside schools and conferences, employees will not in most cases be required to attend outside schools and conferences on their days off. If, however, attendance is required by the Department, then compensation on days off will be at one and one-half (1 ½) times the employee's base pay. For the purpose of this Section, it is assumed anyone submitting a written request to attend an outside school or conference falling on their days off has waived the overtime requirement of this Section. Under all cases, travel days and attendance days worked for any outside school or conference will be compensated as an eight (8) hour work day.
- Section 3.** Any expenses generated by a City-initiated outside school or conference will be compensated under the City's Administrative Regulation.
- Section 4.** In-service training is hereby defined as mandatory training which may be required by Police Management for all commissioned employees of the Department. Specialized training is periodically offered to a limited number of Department employees. Such specialized training is defined as training other than in-service training and outside schools and conferences.

The following guidelines apply when either in-service or specialized training is offered:

- a. The Department Head or the Education & Personnel Unit shall notify employees of the date, time, and location of such training by e-mail and by posting that information at least ten (10) days prior to the training.
- b. Duty shift times may be altered to conform to the actual training time.
- c. No employee will be required to attend in-service training on their days off unless the employee wishes to attend on a day off and makes arrangements to do so with their respective command officer.

- d. Mandatory specialized training for any employee on their day off will be compensated at one and one-half (1 ½) times their base pay for the hours actually worked.

- e. All in-service training days will be compensated for as eight (8) hour work days or actual hours worked, whichever is greater. Actual hours worked shall NOT include any scheduled break of thirty (30) minutes or more.

- f. Specialized training, which may not be a full work day, will be compensated based upon the actual hours worked in training. In addition, management will provide, continuous to the training time, the opportunity to work the hours necessary for a full work day, either eight (8) or ten (10) hours, whichever is applicable to the individual employee.

ARTICLE 21 - HEALTH CARE AND INSURANCE

- Section 1.** HEALTH. The City shall contract annually with one or more health insurance carriers to provide a group health care plan for eligible employees. If an employee elects employee plus child(ren) or employee plus spouse coverage, the City shall contribute an amount equal to eighty-five percent (85%) of the monthly cost of coverage and the employee's contribution shall equal fifteen percent (15%) of the monthly cost of coverage. If an employee elects family coverage, the City shall contribute an amount equal to eighty-five percent (85%) of the monthly cost of coverage and the employee's contribution shall equal fifteen percent (15%) of the monthly cost of coverage. Contribution changes shall be effective with the insurance renewal date.

If an employee elects single coverage, the City shall contribute one hundred percent (100%) of the monthly cost of coverage. If an employee elects employee plus child(ren), employee plus spouse or family coverage, the City shall contribute an amount equal to sixty-six percent (66%) of the monthly cost of coverage and the employee's contribution shall equal thirty-four percent (34%) of the monthly cost of coverage. Contribution changes shall be effective with the insurance renewal date.
- Section 3.** LIFE. The City shall provide each regular employee a \$75,000 life insurance policy.
- Section 4.** RETIREE HEALTH INSURANCE. All retired members of the bargaining unit who have not reached normal social security age, as defined by the Social Security Administration, may participate in the City employee's health care plan or plans, provided each retiree so desiring will execute the required forms in a timely fashion, and further provided that each retiree will be required to pay the full cost of such coverage subject to any rate increases which may occur from time to time. Such payments will be made directly to the plan provider or administrator by the retired member. The City shall incur no additional obligation from lack of the execution of the required forms or from payments not being made by the retired member.

ARTICLE 22 - LAYOFFS

- Section 1.** All employees will be laid off in line of least seniority and hired in reverse order. No employee will be hired by the City as long as there are employees laid off who have seniority. If employees are to be laid off, a thirty (30) calendar day written notice shall be given to the affected employee and the Union prior to the date that the services of that employee shall no longer be required.
- Section 2.** Employees who are subject to layoff within their classification and who are qualified to perform duties of the next lower classification in declining sequence, may, in order at which they are laid off, occupy vacant positions of such lower classifications, or may displace employees who hold positions of such lower classifications.
- Section 3.** An employee who voluntarily requests demotion or another position in order to remain in the classified service following a reduction in force shall be placed at a rate of the new classification pay range which ensures a five percent (5%) reduction in salary, unless a larger reduction is necessary for the officer to be placed in the highest step in the lower classification.
- Section 4.** Where, by virtue of a reduction of the workforce, an employee takes a position in a lower classification in accordance with Section 2 and 3 hereof, and a reduction in force becomes necessary in such lower classification, such employee shall be credited with seniority earned in their classification.
- Section 5.** Any employee who is laid off due to a reduction in work force and thereafter, within a period of four (4) years, reinstated to City service, shall, to the extent possible for purposes of all rights and benefits, be deemed to have been on leave without pay.
- Section 6.** When the work force is increased after a layoff, employees will be recalled in reverse order of layoff. Notice of recall shall be sent to the employee at the last known address by registered or certified mail. If an employee fails to report for work within thirty (30) calendar days of the date of mailing of the recall notice, the employee shall be considered to have voluntarily terminated with the City.
- Section 7.** When the work force is increased after a layoff, those persons who have voluntarily taken a lower classification as provided in Section 2 and 3 herein, shall have the option of occupying positions which open up in their former classification with no loss of seniority in that classification. This option shall

be exercised as the position in the higher classification becomes available dependent upon prior seniority in the higher classification.

ARTICLE 23 - LABOR MANAGEMENT COMMITTEE

- Section 1.** In order to facilitate communication between labor and management, a Labor Management Committee consisting of the Department Head and/or their designated alternate, the Assistant Chief of Police and two (2) Team Managers, and three (3) representatives of the Lincoln Police Union, along with at least one (1) Team Representative, will make up the Labor Management Committee. The Department Head will designate management personnel and the Union shall select Union representatives. Members will serve at the pleasure of the Department Head or Union President, depending upon who the member represents. Members will serve and be replaced on a staggered system (approximately three (3) year limit) depending upon the schedule agreed upon by the Department Head and the Union President.
- Section 2.** Each Team area will be represented by a member of any rank to serve as spokesperson for that area. They will meet at least one week prior to the monthly Labor Management Committee meeting to formulate the common areas of interest and to elect a spokesperson to present the items in writing to the Labor Management Committee. Payment for attending this meeting will be at the discretion of the Department Head. Spokesperson will be chosen on a rotating basis. Team representatives will be picked by a vote of the Team members that they are representing.
- Section 3.** The Labor Management Committee may discuss any area of the Department, with limitation only on those areas already under agreement between the City and the Union. The agenda will be based on the problem areas brought to the attention of the Committee by the Team Representatives and on any area representative members of Labor Management feel need to be discussed. Topics for discussion will be posted on the Union bulletin board and disseminated to Labor Management Committee members at least one (1) week prior to the monthly meeting.
- Section 4.** Membership is subject to change through attrition and elected office, however, a one (1) week notice must be given to the Committee to afford the new member(s) voting privileges.
- Section 5.** Realizing that communication is the key element to the smooth operation of any organization, the Labor Management Committee will foster an element of cooperation and unity of organizational members, be they labor or management.

Section 6. Meetings shall be held at least once per calendar month. Additional meetings may be scheduled by mutual agreement of the Committee and the Department Head.

After six months on step "B" an employee is eligible to advance to step "C". Annually thereafter the employee is eligible to advance to the next step in the merit pay scale until the employee advances to step "J". Employees who have advanced to step "J" shall have no further advancement. Advancement through the merit pay scale shall be based upon the individual's performance. The employee must receive a rating high enough on the standard rating system in order to be eligible for advancement.

B. **LATERAL ENTRY.** On the recommendation of the Department Head, applicants with more than one (1) year of continuous, full time law enforcement experience may be approved to begin employment at a pay grade higher than Step "A" on the Police Pay Plan. This recommendation will be based on the applicant's years of experience as a certified law enforcement officer, the applicant's current base salary, and the state which has issued the applicant's law enforcement certification. In all other respects, applicants eligible for hire under this section will be treated as a new hire without prior experience. These applicants will not receive any additional credit in computing seniority, vacation time or longevity pay. These applicants may also be subject to participation in the Academy and Field Training Program and will be considered probationary appointees for six (6) months from the date of hire.

Employees hired through the lateral entry program will be eligible to advance to the next step in the merit pay scale annually from the date of original classification of police officer.

Assignments eligible for special assignment pay include any Officer or Sergeant assigned as an investigator or detective to the Criminal Investigations Unit, Narcotic's Unit, a Team Detective, or any other assignment so designated by the Department Head. Limited duty assignments or assignments of less than 90 days are excluded from receiving special assignment pay.

If while serving in the positions covered by this section the task/job is moved to another team/unit, the officer assigned will continue to receive special assignment pay only while performing the same job/task.

Police Officer, non-uniform Sergeants and assignments receiving special assignment pay are not promotional positions.

Any Police Officer or non-uniform Sergeants assigned to a position specified in this section are subject to the provisions of this contract and management rights and will, in addition to the employee's regular salary, be paid one hundred dollars (\$ 100.00) for each month the employee serves in that capacity. If the employee leaves the position without serving a full month, the pay will be allocated as follows: fifty dollars (\$ 50.00) if leaving between the 1st and 15th day inclusive, and one hundred dollars (\$ 100.00) if leaving between the 16th day and last day of the month inclusive.

This Article does not preclude short term assignments up to ninety (90) calendar days without receiving special pay, nor does it entitle the person assigned, on a short term basis, to clothing allowance. Clothing allowance will be paid to all personnel, assigned by order and not working in uniform, during the time they are receiving special assignment pay. Assignments due to sickness, injury, or medical disability are not eligible for any benefit described in this Section.

The F.T.O. Coordinator will also receive F.T.O. pay.

“Regularly assigned” means a specific recruit assigned to a F.T.O. by Personnel Order.

Recruits from time to time may be assigned to non-F.T.O.'s for not more than one (1) day in any work week. When necessary to make recruit assignments to non-F.T.O.'s, it shall not be construed as creating a new F.T.O. of the officer assigned.

An F.T.O. must meet the requirements prescribed by management and be so designated.

D. BILINGUAL PAY. Any officer demonstrating proficiency to interpret conversations in Spanish, Russian, Arabic, Slavic languages, American Sign Language, Vietnamese, Farsi and any other language as determined at the Chief’s discretion, shall be eligible to receive compensation in the amount of \$100 per month. In order to receive such compensation, the officer must pass an examination as prescribed by the department, and must agree to provide interpretation services while on duty to the extent this is practical given the officer’s assignment and workload, and as approved or directed by the officer’s supervisor.

Section 3. EXCEPTIONS TO SPECIAL PAY. Any employee who is not capable of performing their duties for more than thirty (30) days and is receiving any specialized pay, including but not limited to Special Assignment Pay, SWAT pay, Canine Officer pay, or FTO pay, as outlined in this Article, will not be entitled to any special pay until such time that the employee has returned to work and is able to perform their full range of duties.

This exception does not apply to a duty-related temporary disability. Canine Officers will continue to receive special pay as long as a dog is in their care.

If another employee is granted special pay because of this Section, the second employee will only receive the special pay until the first employee is back to full duty status and is receiving their special pay.
