

LANCASTER COUNTY
VETERANS SERVICE SPECIALIST

NATURE OF WORK

This is human service work involving client reception, answering phones, receiving the public, conducting interviews, office files management, typing and data entry, general accounting and the monitoring of special programs.

Work involves coordination of support services and financial benefits available to veterans at federal, state and county levels. Work also involves obtaining and investigating service and program application information, investigating residential requirements, preparing case records and performing adjunct clerical duties. Monitoring special programs which require the computation of statistics and associated reports. Supervision is received from the County Veterans Service Officer with work being reviewed in the form of reports, conferences and effectiveness of support services provided.

EXAMPLE OF WORK PERFORMED

Prepares information for entry into the VetraSpec computer program as well as posting all applications in the files on the computer system.

Conduct telephone and personal interviews with veterans seeking financial assistance; determine if referrals are necessary, investigate and verify residency eligibility and qualifying service requirements; identify and complete applications for appropriate support services and financial benefits.

Administer the Grave Registration program and submit the required information to State and Federal agencies as required by law.

Maintain general accounting files for payroll, budget and County Veterans Aid Fund using general accounting principles.

Process completed applications, forms, reports and documents for submission to the designated authority.

Prepare and maintain case records; conduct with routine filing, database and file maintenance, and reception duties on a daily basis.
