

STREET IMPROVEMENT NOTICE

CORNHUSKER HIGHWAY, 39TH TO L55X LCLC-6-6(165); CN 13497

LOCATION

Identified as *Cornhusker Highway, 39th to L55X*, this project will include improvements on Cornhusker Highway (US-6) starting at the 37th Street intersection at mile marker (MM) 316.90 and extending east about 1.85 miles to MM 318.75, or approximately 0.14 miles east of the intersection of L55X (56th Street) and Cornhusker Highway. Construction may begin and/or end approximately 500 feet beyond the actual project limits to accommodate transitioning of the pavement.

SCOPE OF WORK

Project improvements will include:

- a mill and resurfacing,
- isolated base repairs,
- concrete curb repairs,
- public utility adjustments,
- reconstruction of substandard inlet tops,
- sidewalk and curb ramp improvements to meet Americans with Disabilities Act (ADA) guidelines,
- and replacement of the existing traffic signal at the Superior Street/Havelock Avenue and Cornhusker Highway intersection.

CONSTRUCTION SCHEDULE

Construction is anticipated to begin in spring 2026 and be completed in winter 2026.

PROJECT COST

The estimated cost for the project is \$6.65 million, with funding from federal and local funding sources.

PROJECT CONTACTS

Jess Sundeen
Project Manager, LTU
jsundeen@lincoln.ne.gov
402-416-5341

Russ Gasper, PE
Sr. Construction Engineer, LTU
rgasper@lincoln.ne.gov
402-580-8438

ACCESS DURING CONSTRUCTION

The project will be constructed under traffic with temporary lane closures controlled by appropriate traffic control devices and practices. Access to adjacent properties will be maintained during construction. Street access may be limited at times. Traffic detours will not be required to install traffic signals.

Temporary sidewalk closures will be required to facilitate sidewalk and curb ramp improvements. Sidewalk detours will use N 40th Street, Colfax Avenue, and N 44th Street; and Superior Street, Cornhusker Highway, and Havelock Avenue.

ADDITIONAL PROJECTS IN THE AREA

The **Lincoln Area Bridge Preventative Maintenance Project** will improve the 27th Street viaduct. To learn more about the project, scan the QR code or visit lincoln.ne.gov and search "Lincoln Area Bridge."

The **27th from Fairfield to Superior Water Main Replacement Project** will replace the existing water main in the area of N 27th and Superior streets. To learn more about the project, scan the QR code or visit lincoln.ne.gov and search "27th Fairfield."

For information regarding the Nebraska Department of Transportation project on L55X north of Cornhusker Highway (**C.N. 13565, Link L-55X North**), please contact **Jason Sindelar**, District 1 Construction Engineer at jason.sindelar@nebraska.gov or 402-471-0850.
