# **DIRECTOR'S MESSAGE**

## Seasons of Love and Helping.

My husband, David, and I coach the Lincoln Shooting Stars basketball team through Special Olympics Nebraska and Easterday Recreation Center. From the Sunday afternoon practices to the State Tournaments, we love every minute with these incredible athletes and unified partners.

Lincoln is a thriving and vibrant community, full of people and organizations committed to service. Did you know there are more than 2,000 registered nonprofits in our community? Wow! Our Department has longstanding relationships with many of them - including Lincoln Parks Foundation and Solidago Conservancy - plus many allied organizations like Friends of Woods Tennis, Friends of Wilderness Park, Lincoln Flying Disc Club, Friends of the Dog Parks, Friends of Pioneers Park Nature Center, Pickleball Lincoln, countless neighborhood associations, and many more.

Our Department is honored to have the support and participation of thousands of volunteers every year - many through our partner nonprofits, but also families, businesses, and other organizations who join forces to make a difference. These individuals help beautify our places and spaces, serve our neighbors, and support the diverse programs we offer across the community.

Want to learn more about how you can volunteer with the Lincoln Parks & Recreation Department? Check out page 23!

I encourage you and your family to "Get out. Be active. Have fun!"

## NATURE PRESCHOOL

#### Pioneers Park Nature Center (402) 441-7895

Nature Preschool offers children the opportunity to explore nature in a wildlife sanctuary, encountering diverse landscapes and animals during daily hikes and outdoor play.

Teachers plan the curriculum based on their observations of children during outdoor experiences, through class discussions, and during play. This emergent curriculum supports children's natural curiosity to deepen their understanding of the world around them and link it to math, literacy, creative arts, and social/emotional skills.

## LITTLE SPROUTS PRESCHOOL

Calvert Recreation Center (402) 441-8480

Calvert Recreation Center has offered programs for preschool-age children since the center opened in 1989, and we understand how important early childhood education is to helping young people get a good start in life. Children are active learners and individuals who develop at their own pace, and our preschool offers fun early childhood activities to help support learning and development in ways that align with the Nebraska Department of Education's Early Learning Guidelines.

8

Our preschool program consists of fun early childhood activities to help support the learning and development of children ages 3-5. Little Sprouts is a Nebraska Step Up to Quality provider.

# YOUTH PROGRAMS

## JUNIOR ROBOTICS

Focused on building an interest in science and engineering in children, Junior FIRST LEGO League is a hands on program designed to capture young children's curiosity and direct it toward discovering the possibilities of improving the world around them. Children will research a topic, create a poster presenting that research, build a LEGO model with at least one motorized part that addresses the topic researched, and present what they have learned to a reviewer in a non-competitive, fun, high energy environment. Fee includes instruction and t-shirt.

Jan. 21 - Mar 11.	SAT	1:30 - 2:30 PM	
IRV	Ages 6-9	\$80	

## WHEELIE GOOD RIDE ACADEMY

#### Learn to Ride - Balance Bike Class

Riding a bike is considered a key development milestone for children. Wheelie Good Ride Academy is providing balance bike instruction for any level rider with a focus on beginners. Lessons are once weekly for 60 minutes for 5 weeks. Class will consist of team building games, and bicycle skill instruction. We'll have several bikes available for use. But if your little one already has a balance bike, please bring it.

Ages 2 - 7 (can register if participant is older) Parent/guardian is asked to accompany children

#### **MARTIAL ARTS**

#### **Now Enrolling Karate Classes!**

Three Battles Goju Ryu Karate welcomes new students! Come train with Sensei Josh Malcolm, a 4th degree Black Belt who has trained for 30 years and taught for 10 of those years. He is a state, National and world champion with a passion for teaching children and adults how to not only defend themselves but discover their best self through martial arts. Goju Ryu is a traditional martial art originating in Okinawa, Japan: featuring the combination of both hard and soft techniques: the hard of kicking and punching meets the soft of breathing and discipline. Focus, character, and discipline are the steppingstones to success in karate-do. Students from this dojo have competed at both state and national tournaments and are state and national champions. This program has been held at the Air Park Rec Center for almost 11 years and we are looking to grow as we look to the future of the new center.

A traditional Okinawan style of martial arts that combine the "softer" style of redirecting and blocking with the "harder" style of kicking and punching movements. Registration for new students open the first of every month.

Youth Karate provides a sense of honor, integrity, respect for elders, perseverance, and self-control. Classes available for ages 5 – 15 and will teach kata, good technique, awareness of surroundings, self-defense, and discipline. Youth that are yellow belt and above, will have the opportunity to practice weapons/sparring.

# **COMMUNITY FORESTRY PROGRAMS**

## **ADOPT-AN-ASH PROGRAM**

#### trees.lincoln.ne.gov

We recognize that some citizens like to have options and be involved in determining the future of public trees near their homes. In that spirit, we are providing an option for those who would like to "adopt" an ash tree in the right-of-way by providing ongoing chemical treatment to minimize damage by Emerald Ash Borer.

Learn more about the program and download the permit application at trees.lincoln.ne.gov.

If a property owner wants to have a city tree treated for anything, not just EAB, an "Application for Permit to Treat" is required as directed by Municipal Code 12.20.040.

## STREET TREE VOUCHER PROGRAM

#### trees.lincoln.ne.gov

The Lincoln Parks and Recreation Department offers a cost-share assistance program to property owners in Lincoln who desire to purchase and plant a street tree(s) on the City right-of-way adjacent to their property. The \$250 voucher is good toward the purchase and installation of a tree at participating local nurseries. The remaining balance of the cost of the tree and the planting of the tree will be at the homeowner's expense. *Certain conditions and requirements apply to the street tree voucher program*.

Call (402) 441-7847, OPT. 0 to submit a request for voucher, or for more information.

# LINCOLN'S COMMUNITY FORESTRY

## FUNDAMENTAL TO VIBRANT NEIGHBORHOODS

One of the hallmarks of Lincoln's quality of life is its community forest, which is a prominent feature of its landscape. Our Forestry staff maintains nearly 120,000 public trees throughout the city of Lincoln. Those include areas within our Lincoln Parks, right-of-way, public golf course, and median trees. A canopy of thousands of trees is showcased in many shades of green in the summer and vivid reds, oranges and yellows of autumn.

It is also an important resource for the health and well-being of our environment and society. Trees lower heating and air conditioning costs, prevent erosion, provide wildlife habitats, reduce storm water runoff, increase property values and make our neighborhoods more livable.

Doing its part to maintain and preserve our priceless community forest, the Lincoln Parks and Recreation Department's Community Forestry Section is responsible for all city-owned trees. It monitors the planting, pruning and removal of trees on public property, which includes street trees, park and golf course trees and trees along our trails.

For service calls regarding public trees, call (402) 441-7847, OPT. 0.

## Are you a member of a NA/HOA\* and have ash street trees?

If yes, contact Adam Klingenberg at aklingenberg@lincoln.ne.gov or (402) 441-8269 for information on City assistance.

## LINCOLN LOVES VOLUNTEERS!

Do you have a group of 6 or more who are interested in a community service project? Mulching trees is fun AND it's the single best thing you can do for your tree(s).

Call (402) 441-9461 to schedule your mulch party.
