The following report is an analysis of four separate Incident Report types within the Lincoln Police Department, to include Attempt Suicide, Death and Narcotics Overdose (IR 27444). Each of the Incident Report types were reviewed for 2021, all with a common nexus to "overdose". Overdose includes narcotics, prescription pills, and over-the-counter pills, but excludes alcohol. There were 5 reported suicides due to overdose. The subjective review process may have minor inconsistencies* in how the Incident Report type is ultimately determined to be an overdose.
