## 18=\$13,810!!! 18 Garage Burglaries, loss of \$13,810

Since June 1, 2019 there were 18 burglaries reported involving open or unlocked garage doors. Garage doors were left open or unlocked during the day and overnight. Some of these homes were entered while residents were in their own backyard. Other cases involved garage door openers being taken from vehicles and used to gain entry inside of the garage.

Please remember to ensure that your garage door is closed and secured while at home, away at work, and at night while you sleep. It only takes seconds for thieves to drive past your home and see your valuables inside. This includes bikes, tools, and any other items you may have inside of your garage.

Also remember to **lock your door that leads into your home** as well, to prevent thieves from entering inside of your "Home Sweet Home".

Get to know your neighbors, have them text/call you to let you know that your garage door is open if they don't think you're home, or that you may have forgotten to close your garage door.

Install a motion light outside of your garage that it's high enough that the average person can't reach it.

Close your garage door completely. Remember, heat rises, so leaving an opening at the bottom does not help ventilate the garage. Installing a ceiling vent and a fan to pull the heat up and out through the attic would be more efficient and safer.

## Summer Reunion Blood Drive

August 2, 2019

Antelope Park

11am-2pm

Our community blood supply has dropped to dangerously low levels and now we are facing a critical shortage of all blood types. You can help by donating blood during one of the Battle of the Badges blood drives. This annual event helps raise awareness in hopes of bringing community members out to donate blood.

If you donate during the event, you will receive a coupon for a free [Runza Restaurants](#) sandwich and a free pint of Empyrean Brewing Co. redeemable at [Lazlo's Brewery & Grill-Haymarket](#).

If you cannot make it to an official Battle of the Badges drive but still want to show your support for your department of choice, donate at a donor center or blood drive through August 31, 2019. At registration, fill out a Count Me In Card and indicate if you are donating blood for LPD or LFR. The department with the highest donations wins the competition.
