CLOSURE ASSESSMENT REPORT

A Closure Assessment Report must be submitted with the Tank Closure Application. The only exception is for a tank to be considered "orphaned" and when someone, other than the tank owner / operator, is initiating the closure. Tanks are to be considered "orphaned" if the tank(s) were taken out of service PRIOR to July 17, 1986 and the property owner never used the tank(s).

1. Are you claiming the tank(s) to be "orphaned"? YES NO

In some situation, pursuant to Title 159, the SFM may waive the Environmental Sampling requirements.

2. Are you requesting a waiver of the Environmental Sampling? YES NO
- If NO, what other contractors/ laboratories will be involved? _____
 - If YES, indicate why you are requesting a waiver. (E.G. Ongoing investigation by the NDEQ) _____

DISPOSAL

3. Will the tanks be emptied and cleaned by removing all liquids and accumulated sludge? YES NO
4. Will all liquids and sludges be recycled / disposed of in accordance with state and local regulations? YES NO
5. Where will the liquids and sludges be disposed? (physical address) _____
6. Where will the contaminated soiled be disposed? (physical address) _____
7. If tanks and/or piping are removed, where will they be disposed? (physical address) _____
8. If tanks are closed in-place, indicate the type of inert material to be used? _____
