**Northeast District 1 Town Hall Meetings** take place monthly on third Thursdays. Hosted by City Councilman James Michael Bowers, these meetings are open to all. Town halls are an opportunity to discuss upcoming projects and citizen concerns. Featured guest speakers from the community and government present on a wide range of subjects impacting Lincoln.

**Topic: Cryptocurrency and Consumer Protection**

**Guest: Investigator Michael Wambold**

LPD Technical Investigations Unit

Investigator Michael Wambold of the Lincoln Police Department brings more than 20 years of law enforcement experience, with a focus on financial and cryptocurrency-related crimes in the department's Technical Investigations Unit. At this Town Hall, Inv. Wambold will offer a clear, practical overview of cryptocurrency; what it is, how different types function, and why it matters to the community. He will discuss how the Lincoln Police Department investigates cryptocurrency-related crimes, outline the department's long-term goals in this area, and share helpful tips residents can use to avoid becoming victims of fraud.
