

TOWN HALL

with Councilman James Michael Bowers

Thursday, August 20, 2026 at 5:30 p.m.

Victor E. Anderson Library
3635 Touzalin Avenue

Northeast District 1 Town Hall Meetings take place monthly on third Thursdays. Hosted by City Councilman James Michael Bowers, these meetings are open to all. Town halls are an opportunity to discuss upcoming projects and citizen concerns. Featured guest speakers from the community and government present on a wide range of subjects impacting Lincoln.

Topic: Animal Adoptions and Welfare

Guest: Matt Madcharo

Capital Humane Society President & CEO

Join us for a town hall discussion about Lincoln's Capital Humane Society (CHS)—its mission, services, and day-to-day operations. Learn how CHS provides shelter and care for animals, facilitates adoptions, reunites lost pets with their families, and works to promote responsible pet ownership. The discussion will also explore how CHS responds to animal welfare needs, supports the community, and manages the resources required to care for animals in its custody. Featured guest Matt Madcharo, CHS President and CEO, will provide insight into the organization's operations, priorities, challenges, and future direction.
