25R-341

Introduce: August 11, 2025

AMENDED SUBSTITUTE RESOLUTION NO. A- **95335**

1 WHEREAS, under the provisions of Section 25 and 25a of Article IX of the Charter of the City of
2 Lincoln and Chapter 3.06 of the Lincoln Municipal Code, the biennial budget for the City of Lincoln was
3 submitted on June 10, 2024, and adopted on August 26, 2024; and

4 WHEREAS, under Chapter 3.06 of the Lincoln Municipal Code, the City Council may revise the
5 previously adopted biennial budget pursuant to Nebraska State Statute § 13-511, which allows the
6 governing body to revise the previously adopted budget due to circumstances which could not
7 reasonably have been anticipated at the time the budget was adopted; and

8 WHEREAS, under the provisions of Section 26 of Article IX of the City Charter and Chapter 3.06 of
9 the Lincoln Municipal Code and Nebraska Revised Statute § 13-511, a public hearing on the proposed
10 revised budget was held on August 18, 2025, notice thereof having been published in one issue of the
11 Lincoln Journal Star, a newspaper of general circulation in the City, more than five days before such
12 hearing; and

13 NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of
14 Lincoln, Nebraska;

- 15 1. At the time the Biennial Budget for 2024-26 was adopted it was not known what the
16 amount of the adjustment in the valuation would be from the County Assessor revaluing
17 properties in Lancaster County for the second year 2025-26 of the Biennial Budget. In
18 addition, it was not known that voters would approve a stormwater bond and an increase in
19 the tax levy for debt service to finance it in November of 2024. Therefore, the property tax
20 rate is changed from .29533 to .29732 per \$100 of valuation to reflect voter-approval of the
21 stormwater bond. Based on that tax rate and the County assessor valuation for 2025-26,
22 property tax revenue to support the 2025-26 budget is hereby increased to \$102,973,319.
- 23 2. Since the Biennial Budget for 2024-26 was adopted, circumstances which could not
24 reasonably have been anticipated at the time the budget was adopted dictate the need for
25 adjustments. The original adopted budget of expenditures cannot be reduced during the
26 remainder of the biennium to meet the need for additional funding because resources for
27 the biennium are fully committed to provide community services or fund capital projects.
28 Therefore, the following adjustments are necessary:

- 1 a. The six-year Capital Improvement Program for 2024-25 through 2030-31 and the
2 2024-26 Biennial Operating Budget adopted by Resolution A-94746 are hereby
3 amended as of August 31, 2025, for 2024-25 and the City Council hereby
4 appropriates the designated funds and directs the Finance Director to make the
5 necessary adjustments to the biennial budget resolution schedules as follows:

Amount	BU Object	Description
1,000,000	79500.5023/9120 18002.9220	StarTran 2024-25 operating budget shortfall

- 6 b. The six-year Capital Improvement Program for 2024-25 through 2030-31 and the
7 2024-26 Biennial Operating Budget adopted by Resolution A-94746 are hereby
8 amended as of September 1, 2025 for 2025-26 and the City Council hereby
9 appropriates the designated funds and directs the Finance Director to make the
10 necessary adjustments to the biennial budget resolution schedules as follows:

Amount	BU Object	Description
764,940	78440.6234/6235	Debt Service on 2025 Stormwater bonds

14 hereinafter named, to-wit:

8. Whereas Lancaster County/Public Building Commission has eliminated funding for 1.0 FTE Human Resources Business Partner previously funded 100% by Lancaster County/Public Building Commission for \$149,039 and whereas, Lincoln Transportation and Utilities Department has a need for additional support from Human Resources for \$169,341. Lancaster County/Public Building Commission revenue is hereby lapsed. Lincoln Transportation and Utilities revenues are hereby appropriated.

- 1 9. There is hereby appropriated revenue and expenditure related to the Solid Waste fee

15 within the authorized expenditure limitations on the attached schedules and the tax rate of
16 0.29732 per \$100 of assessed valuation.
- 17 14. Per resolution A-82134 passed by the City Council on June 9, 2003, establishing an
18 unreserved fund balance policy for the City, the General Fund unreserved fund balance as
19 of the last audited financial statements as of August 31, 2024, was \$60,845,197. This

Note on administrative adjustment due to August 26, 2025 corrected 2025 Certification of Taxable Value for the City of Lincoln

On August 26, 2025, the County Assessor sent a corrected 2025 Certification of Taxable Value for the City of Lincoln to the Finance Director. The corrected certification was \$7,100 less than the previously issued certification issued on August 20, 2025. This reduced the General Fund property tax revenue \$20. Per City Charter only 90% of property tax is appropriated in support of the budget. Per the Budget Amendment Resolution the Finance Director is authorized to adjust the following amended substitute resolution to reflect this correction and ensure a balanced budget. This amended substitute resolution and budget schedules reflect the \$18 reduction (90% appropriated property tax) in the General Fund property tax and a corresponding \$18 increase in appropriation of General Fund balances.
