

SPECIFICATION DOCUMENTS

Purchasing makes every effort to prepare detailed specifications which accurately define the products or services to be purchased. In some cases a brand name may be used to describe a particular product. When a brand name is used, it is for the purpose of establishing a grade or quality level of material. It is not our desire to prevent competition. Alternates may be offered and will be considered if the City/County determines them to be of equal value to the specified brand. It is the Vendor's responsibility when offering an alternate to provide supporting documentation and/or product literature outlining the features and benefits of the product offered.

INFORMAL BIDS OR QUOTES

This process does not require a specific number of days for solicitation. Normally, Quotes are posted on the Ebid System for 1-10 days depending on the dollar amount and/or complexity of the product or service being requested.

FORMAL BIDS

This process is used for commodities or services with a value over \$50,000.00 City/County where a firm fixed price for the products or services described is required to award the bid. All Formal Bids are advertised for a minimum of 14 calendar days (10 days in cases of emergencies). All Formal Bids are received via the Ebid System at a date and time specified in the bid.

SAMPLES AND LITERATURE

Vendor's should examine the specification documents carefully to ascertain if they are required to submit samples or descriptive literature with their offer. When samples or descriptive literature are required, it is understood, unless otherwise indicated in the specification, that they are offered without cost or obligation to the City/County. Samples will be held for evaluation until analysis and award recommendation is complete, after which time they may be picked up by the Vendor.

REQUEST FOR PROPOSAL (RFP)

This process is designed to be a competitive negotiation platform for professional services, commodities or services that require more than a price to determine what is the best product or service for the City/County. This process allows the City/County the flexibility to negotiate with a select company/firm or selected companies/firms to arrive at a mutually agreeable relationship. Registered Vendors will receive notification of RFP's automatically via the Ebid System for the commodities or services they have registered for. Most RFP's require a written and electronic response via the Ebid System.

AWARD TO THE SUCCESSFUL FIRM

A checkmark in the electronic signature box of the Ebid shall be considered an offer on the part of the Vendor. Such offer shall be deemed accepted upon issuance by the City/County of purchase orders, contract award notifications, or other contract documents appropriate to the work. The City/County reserves the right to accept or reject any or all offers; request Best and Final Offer; request rebids; to award item-by-item, by groups, or "lump sum"; to waive irregularities and technicalities; as shall best serve the requirements and interests of the City/County.

PURCHASING METHODS

BID THRESHOLDS

City, Formal Bids – \$50,000 and over
County, Formal Bids – \$50,000 and over
City, Informal Bids – \$10,000 - \$49,999.99
County, Informal Bids – \$10,000 - \$49,999.99
City Dept. Micro-purchase – Under \$10,000

City/County Departments may make one-time purchases via their own staff for supplies or services which total an amount less than \$10,000.00 unless that commodity or service is already under contract. When a County Department/Agency makes the purchase, they may obtain and record at least three (3) quotations, either written or verbal. Typically, no purchase order is generated. Purchasing will obtain Informal Bids or Quotes using the Ebid system for equipment, supply items or services with a single purchase value above the departmental limit, but less than \$50,000.00 City/County. All registered Vendors will receive immediate electronic notification of Informal Bids or Quotes for their respective commodity or service via email.

City/County Departments and Agencies must adhere to the "Formal Sealed Bid" procedure when making a purchase or contract for \$50,000.00 City/County or more. This procedure includes public notice in a regional newspaper and requesting Formal Bids via the Ebid System from qualified suppliers.
