

West A Street Improvement Project

West City Limits to South Folsom Street

Project B Stakeholder Meetings

PROJECT PURPOSE

The project is intended to improve the West A Street corridor beginning at the West City Limits and extending east to the intersection of SW 5th Street. To minimize impacts to area residents, businesses, and commuters, the project will be divided into two separate construction projects – Project A and Project B. Project A is SW 23rd Street to SW 5th Street and Project B is West City Limits to SW 23rd Street.

NEXT STEPS

- Appraisal** – The City will contract with a licensed appraiser to determine the cost of temporary and permanent construction impacts.
- Negotiation** – You will be contacted by the right-of-way agent who will present an offer of financial compensation for the impacts to your property.
- Acquisition** – After an agreement has been reached, ownership of the impacted property will be transferred to the City.

PROPOSED IMPROVEMENTS

- New Pavement
- Sanitary Sewer Trunkline
- Roundabout Intersections
- Street Lighting
- Sidewalks ADA Accessible
- Concrete Pads at Bus Stops
- Multi-Use Trail
- New Driveway Connections
