Tips for Recycling at Home

Warm up: Start with corrugated cardboard. Then stick to the basics: recyclable paper, cans and plastic bottles and tubs.

Take it to the bin: Use a small indoor recycling bin, canvas bag or other container to hold clean recyclables until you can put them in your recycling bin or take them to a drop-off site.

Choose your play: Select between convenient curbside pickup or a public recycling drop-off site. Go to recycle.lincoln.ne.gov to find the site nearest to you. If your landlord offers recycling, locate the recycling bin.
