

2020 Annual Drinking Water Quality Report

The Annual Drinking Water Quality Report for the City of Lincoln may be viewed at:

 [lincoln.ne.gov/
WaterQualityReport](https://lincoln.ne.gov/WaterQualityReport)

This report contains important information about the source and quality of your drinking water.

***The Lincoln Water System
is proud to report that no
drinking water violations
were incurred during 2020.***

If you have questions or would like a paper copy of the report mailed to your home, please call 402-441-7571 or stop by Lincoln Water System Offices at 2021 N. 27th Street to request one.
