**City of Lincoln Project:
TAP-55(186) Fletcher Landmark Trail, Lincoln; CN 13442**

Dear Neighbor:

The City of Lincoln, in partnership with the Federal Highway Administration (FHWA), is planning to create a new trail segment on Fletcher Avenue from North 14th Street to North 27th Street in Northwest Lincoln. The new 1.18-mile-long trail segment would be 10 feet wide and provide a connection with the existing 14th Street Trail near Fletcher Avenue. Please find enclosed information regarding the proposed federal-aid project.

For more information about this project, please visit lincoln.ne.gov/trails or contact me at rbartja@lincoln.ne.gov or 402-441-1652.

Sincerely,

Robert Bartja
Park Planner
Lincoln Parks & Recreation
