RE: **July Agenda Items**

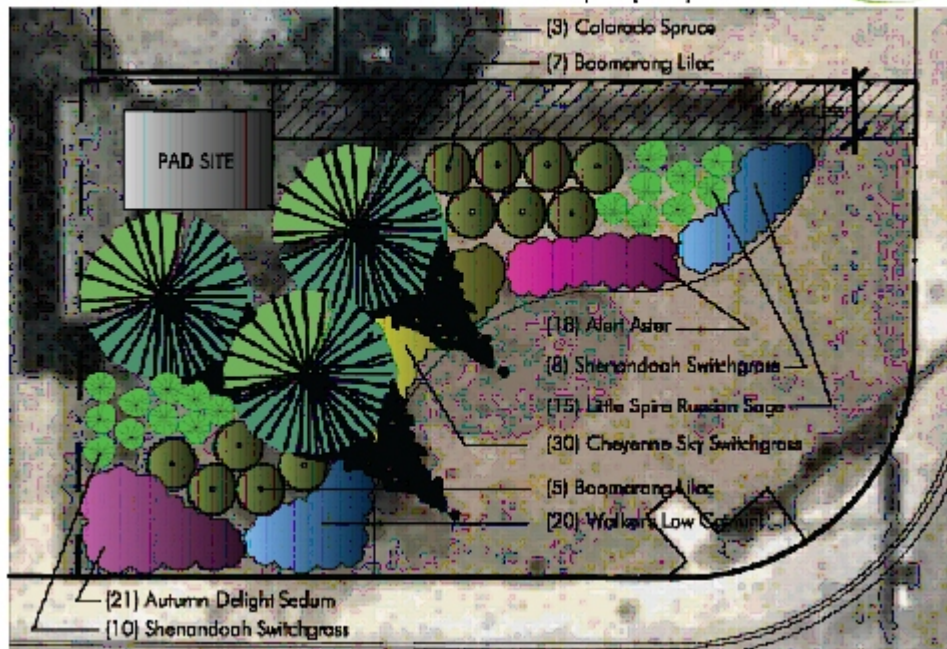

The committee is asked to advise on the new Amtrak Station in West Haymarket (item 2). I will invite Historic Preservation Commission members to attend for the Amtrak Station discussion.

Item 3 is a neighborhood sign at 27th & South. Parks is in the process of renovating this space in-house after Windstream utility work largely denuded it of plant material.

As part of the project, Urban Development Dept. proposes to install a Near South neighborhood identification sign in the park. Design ideas for the sign will be presented to the committee.
