**CONDITIONAL ANNEXATION AND CHANGE OF ZONE AGREEMENT
FOR WEST VIEW PUD**

This Conditional Annexation and Change of Zone Agreement for West View PUD (“Agreement”) is made and entered into as of the date of execution by the last signatory hereto as indicated below by and between the **CITY OF LINCOLN, NEBRASKA**, a municipal corporation (“City”), and **PAR 72, LLC**, a Nebraska limited liability company (“Property Owner”). The City and Property Owner may hereinafter be referred to individually as a “Party”, and collectively as the “Parties”.

RECITALS

A. The Property Owner is the owner of the real estate legally described as:

Lots 118 and 125, Irregular Tracts in the Southwest Quarter, in
Section 29, Township 10 North, Range 6 East of the 6th P.M.

And

Remaining Portion of Lot 1, Newell Subdivision

All located Lancaster County, Nebraska (the “Property”).

The Property is generally located at the northeast corner of Southwest 40th and West A Streets, Lincoln, Nebraska, and is shown on Exhibit A.

B. The City and Property Owner desire that the Property be annexed in phases pursuant to this Agreement.

C. Property Owner petitioned the City to annex the Phase I Area of the Property, legally described and shown on Exhibit B, which includes approximately 17.21 acres. Adjacent property and right of way, not subject to the terms of this agreement, will also be annexed for a total annexation area of 19.05 acres (AN23006).

- D. Property Owner petitioned the City to rezone (CZ23021) a portion of the Property shown and legally described on Exhibit C from AGR Agricultural Residential District to R-3 Residential District Planned Unit Development.
- E. Property Owner requests the City amend the Future Land Use Plan (Figure GF.b), as shown on Exhibit D, of the City's comprehensive plan to show portions of the Property as Residential-Urban Density and Commercial rather than Green Space (CPA23006).
- F. AN23006, CZ23021, and CPA23006 are collectively referred to as the "Governmental Actions."
- G. This Agreement identifies the Property Owner's and City's responsibilities regarding the construction of impact fee facility infrastructure improvements necessitated upon annexation and future development of the Property.
- H. Property Owner represents to City that in consideration of City's approval of the Governmental Actions, Property Owner will enter into this Agreement.

NOW, THEREFORE, in consideration of the above Recitals and the mutual covenants established herein, the parties do hereby agree as follows:

I.

GOVERNMENTAL ACTIONS AND ACKNOWLEDGMENTS

- A. **Concurrent Approval.** The City, concurrently with the approval of this Agreement, is approving the following Governmental Actions:
 - 1. Annexing that portion of the Property legally described and shown on Exhibit B (AN23006);

2. Changing the zone of that portion of the Property legally described and shown on Exhibit C from AGR Agricultural Residential to R-3 Residential Planned Unit Development (CZ23006); and
3. Amending the Comprehensive Plan (CPA23006) as shown on Exhibit D.

B. **Conditional Approval**. Approvals of the Governmental Actions are conditioned upon the terms, conditions and understandings as set forth in this Agreement being fulfilled. The parties understand and agree that, notwithstanding the conditional nature of such zoning approvals hereto, the City Council, on its own motion or at the request of any party hereto, may, in the exercise of its lawful legislative authority: (i) amend the Comprehensive Plan; (ii) extend the municipal corporate boundaries to include any contiguous or adjacent lands; (iii) rezone or revise the zoning designations applicable to the Property; or (iv) approve or amend plats, dedications, use permits, special permits, developments, community unit plans, building permits or other land use controls, as future circumstances may warrant.

II.

PHASED DEVELOPMENT OF THE PROPERTY

Subsequent Phases of Annexation. The City and Property Owner agree that the Property will be annexed and developed in multiple phases. The Property Owner and the City recognize and understand that as part of this Agreement, the Property Owner and City have identified the public impact fee facility infrastructure improvements necessary to serve future development of the Property.

III.

ARTERIAL STREET IMPROVEMENTS

- A. **SW 40th and West F Street Intersection.** The City and Property Owner agree that urban development of the Property will require the Property Owner to design and construct, at its own cost and expense, right and left turn lanes in conformance with City of Lincoln Standard Specifications at the time of construction and designed to the satisfaction of the Lincoln Transportation and Utilities Division, at the full turn movement intersection at SW 40th and West F Street as generally shown on Exhibit E (“**Intersection Improvements**”). The Intersection Improvements will provide required turning motor vehicular storage along with the required deceleration lane length. The parties acknowledge that the Intersection Improvements shall be designed and constructed as permanent improvements and are intended to serve the traffic volume anticipated for the area for a period exceeding fifteen (15) years. The City acknowledges and agrees that the Intersection Improvements are to be considered Arterial Street Impact Fee Facility Improvements as that term is defined in Chapter 27.82 of the Lincoln Municipal Code and shall be subject to reimbursement as set forth in subparagraph C. below.
- B. **West A and SW 36th Street Intersection.** The City is in the process of constructing the West A Street Improvement Project which extends from the west City limits to SW 23rd Street (“West A Project”), and includes the construction of a roundabout at the West A and SW 36th intersection (“SW 36th Roundabout”) that will provide access to the Property. The West A Project is anticipated to be completed in 2024. Developer agrees to contribute Four Hundred Thousand and no/100 Dollars (\$400,000) to the cost of the SW 36th Roundabout at such time as the City completes construction of the SW 36th Roundabout (“Roundabout

Contribution”). The City acknowledges and agrees that the SW 36th Roundabout is an Arterial Street Impact Fee Facility Improvement as that term is defined in Chapter 27.82 of the Lincoln Municipal Code and the Roundabout Contribution shall be subject to reimbursement as set forth in subparagraph C. below.

- C. **Segregated Arterial Street Impact Fees.** City agrees to segregate arterial street impact fees collected by the City from the Impact Fee Area shown on Exhibit F (“Segregated Arterial Street Impact Fees”). City agrees that it shall reimburse Developer for the Intersection Improvements and Roundabout Contribution described in Subsections A and B above from the Segregated Arterial Street Impact Fees generated by development within the Impact Fee Area shown on Exhibit F. Said reimbursement from Segregated Arterial Street Impact Fees shall be paid quarterly as Segregated Arterial Street Impact Fees are received. The foregoing notwithstanding, any reimbursement to be paid from the Segregated Arterial Street Impact Fees shall not constitute a general obligation of the City.
- D. **Dedication of Right of Way.** Developer agrees to dedicate, at no cost to the City, sufficient right of way for the Intersection Improvements at SW40th & West A Street, and SW40th & West F Streets, as determined by City, at the time of final plat, or upon request by the City, as well as additional right-of-way for a future roundabout at the intersection.
- E. **City Excess ROW.** The parties acknowledge that Developer waived its rights to enter into good faith negotiations with the City for the acquisition of the necessary right of way and easements for the West A Project, and granted the City, at no cost, right of way and easements from the Property for the construction of the West A Project, including the SW 36th Roundabout. Developer also agreed to relinquish existing access points to West A from 3500 and 3540 West A Street and to take access from and to said parcels from SW 36th Street, with

no other access to the Property permitted off West A, unless approved as part of a new street access permit. In exchange, the City agrees to make best efforts to convey excess property it acquired at 3600 West A as part of the West A Project (“Excess ROW”) and transfer said Excess ROW to Developer at no cost after completion of the West A Project, all subject to future City Council approval, if required. The parties acknowledge and agree that the value of Developer’s ROW donations and access concessions to facilitate the West A Project is equal to or greater than the value of the Excess ROW. The Excess ROW is shown conceptually on Exhibit G.

IV.

PROPERTY OWNER CONTRIBUTIONS

Contribution to Rural Fire Protection District. Property Owner understands and acknowledges that the City’s annexation of the Property or any portion thereof lying within the boundaries of the SE Rural Fire Protection District (“District”) shall not be complete except upon the City assuming and paying that portion of all outstanding obligations of the District which would otherwise constitute an obligation of the Property or portion thereof being annexed. The Property Owner agrees to pay the City the amount which must be paid by the City to the District in order for the portion of the Property being annexed to be complete. At the time of this Agreement the contribution to the District is expected to be \$0.
